Local Lists Minimum It Will Accept, Says Funds Are Available

School tax increases are due primarily to the construction of new schools, and the taxes that are sought for teacher pay can be easily afforded by the Granite City school district, spokesmen for Teachers' Local 743 told PTA unit executive board members Friday night.

Members of the local's Salary and Policy Committee cited the college courses they must take before becoming teachers and said instructors would conscientiously educate pupils, devoting extra time and effort. While there are exceptions to this, the audience was told, it should be kept in mind that administrators rather than the union select those who are hired.

Francis Robert Francis and the instructors outlined their estimates of school finances and their views on other points of disagreement for a half-hour and then answered questions for another half-hour.

They were followed to the Frohault auditorium stage by school officials, who denied some of the points that had been made.

High Regard for Community

Teachers stressed their regard for students and for the community and said their objectives will benefit the public as well as faculty members by keeping and attracting competent teachers. Intense public displeasure with the union in recent days was acknowledged.

Francis said Granite City's new tax rate for 1959-60 is 1.11 percent, or 1.11 percent less than in East St. Louis. He said Granite City is one of the wealthiest school districts, and urged that classroom teachers receive 1969-70 pay boosts totaling \$1,600,000.

"Taxes are going up because of the big building program. Teachers are not getting one cent salary increase," the attorney said.

Harry Lane of the Salary and Policy Committee said the union is negotiating pro- cedures last week because of time-consuming causes by school negotiators and an ability to obtain substantive proposals from the school district.

He said the absence of talks this summer had been mutually agreed upon by the two negotiating teams, not by teachers alone.

John Boyer said that on Thursday night the school district team took an hour and 45 minutes of deliberation "and only offered \$50 more a year per teacher."

Summer Work in Jeopardy

The gathering was told that contrary to rumors that "teachers are leaving the district," the school district team, which was delayed at the fall term, they actually face many problems, including reduced holiday and vacation time and less prospect of summer work.

The union's proposal submitted Thursday.

Speakers Err in Charging 'Errors'

The Press-Record did not err in the three instances cited Friday night at a PTA meeting on Granite City school closing issues, a review of school finances and newspaper articles revealed Friday night.

The following alleged errors were cited by members of Teachers' Local 743 in talks to PTA executive board members Friday night.

1. The school district's year-end deficit of \$287,425 (\$252,101 in 1958-59 and \$35,324 in 1958-59).

A speaker asserted \$600,000 was received during the year-end period of July and August to meet 1968-69 salaries whose payment had been deferred. The speaker said the request for individual teachers. The fact is that the \$600,000 is applicable to 1969-70 costs and did not constitute a 1968-69 surplus.

2. The prospect of any September pay boost being rejected. A speaker said the August 27 tentative budget when it is considered for final adoption Sept. 29.

3. The statement read as applying to the tax rate, but it referred to the budget.

An article in another paper showing the state aid tax increase between 1968-69 and 1969-70 as \$1,938,000, the Press-Record was commended for not publishing the figure. The Press-Record did not use it because it is inaccurate. The actual figure is \$1,855,567, which was published here weeks ago.

A speaker for Local 743 erred in reporting Collinsville starting pay as "\$7250 or \$7270" when it was \$7770 monthly for \$7000 for the nine-month school year, as was previously and correctly reported in the Press-Record.

Sp/4 Douglass Wounded Friday In Vietnam

Specialist Four Robert C. Douglass, 20, was wounded in action in Vietnam on Friday, Sept. 6, according to a telegram received by his sister, Mrs. Ellen Robinson of 2724 West 20th street from Major General Kenneth C. Wickham, Adjutant General of the Army.

According to the telegram, Sp. Douglass is being treated at a military hospital in Saigon. He received a wound to the forehead, was treated and returned to duty.

He is being cited for bravery with Co. A, (Mech) 1st Infantry Division, stationed four miles south of An Loc, which is being fought.

Douglass enlisted in the Army in June 1958 and has been overseas since Dec. 3. He is expected to return to the States in December for a 30-day furlough and return to Vietnam for a second tour of duty for six months.

The local serviceman is the son of Robert Douglass of 3712 Ponton beach, the late Mrs. Ellen Douglass.

The family recently received a letter from the son, who is shown listening to a radio program with three other members of his company, while on a short rest, at the observant post.

Union Cities Potential Lack of Supervision

Teachers' Local 743 in a statement at 11:15 a.m. today noted that the Granite City school board "has announced that it will begin to hire children in attendance, Tuesday, Sept. 9," and that teachers feel parents will be aware of their children may be "without proper supervision or care."

The local said "qualified teachers or provide instructional activities" will be lacking. "The board of education, in the interest of your children, we want you to be aware of the conditions which exist in the school and the administration are asking you send your children."

State Allots \$222,675 For Parks Airport Work

Release of \$222,675 from the federal revenue fund to the state's share for the improvement of Bi-State Parks airport has been announced by Gov. Ogilvie.

The money will be used for construction, marking and lighting of the northwest-southeast runway. The runway work has been let to the Bituminous Fuel & Oil Co. of Collinsville.

GC District Pledges Fairness, Won't Yield To 'Display of Power'

Although generously paying the highest school tax in Madison county because of its interest in good schools and suitable teacher salaries, Granite City school district residents will not bow to an attempted "sheer display of power" by Teachers' Local 743, a gathering of over 100 PTA officers was told Friday night.

Fresh from bargaining talks at which Local 743 officers are said to have asserted that the school board is going to have to accept the union's pay plan, board members defended their offer as already substantially better than most teachers in this region school operated on.

Contrasting with claims earlier in the evening that local schools are among the wealthiest, school officials said there is a relationship by small tax base per pupil here, placing a considerable burden on each taxpayer despite receipt of a large amount of state dollars in state taxes.

'Competitive' in Region

Board Member Monroe Worthen, who made the principal presentation for the school system in its hall of the program held at Frohault school, began by reviewing in detail what has been offered. He described it as a "fine" proposal which is "certainly competitive in Madison and Clark counties."

Monthly raises proposed range from \$116 to \$227 for bachelor degree teachers with none to 11 years of experience. For master teachers with a master degree with 190 to 210 hours of experience, raises range from \$116 to \$227 for increases in the cost-of-living, it was related.

In 1970-71, additional upgrading of the salary schedule offered, with raises over as much as \$355 monthly, plus the \$16 and plus cost-of-living raises in 1971 for the second year based on a formula linked to national inflation.

With life insurance added and free hospital-medical insurance extended from the employee to his dependents as well, the district is assuming an added cost of \$80,000 this year and \$120,000 next year, Worthen said.

Woe Collinsville Teacher

Although it is being said that Collinsville schools have made a better offer, "that district in the last three columns of its salary schedule has only 10 teachers compared to 239 in Granite City," the \$1586 monthly Collinsville pay schedule is being cited applies to only one person, Worthen said.

Comparing another part of the Collinsville schedule, the Granite City offer is more than \$114 monthly higher, it was noted.

Attorney Harold Baker Jr., executive director of the Illinois Bell Telephone Co., said that Bellville high school teachers have accepted pay sharply lower than the levels offered here. A number of philosophy teachers receive \$1400 monthly in his 20th year, while a teacher with 30 years of experience receives \$1725 monthly. Granite City is to receive \$1455 monthly in his 12th year, the gathering was told.

Baker said that only one figure on the East St. Louis pay schedule is higher than Granite City, an \$822 starting pay for bachelor teachers compared to \$788 offered here. He described the difference of about \$35 as "comparable pay being cited in East St. Louis school."

E. St. Louis Pay Lower

In the remainder of the schedule, East St. Louis teachers have accepted \$55 to \$72 less than the Granite City offer, Baker said.

Worthen said the board is trying to be "fair and reasonable" with all employees and the public.

Rather than parceling out increments on a 3 percent wage basis and continuing to expand property tax expenditures, many taxpayers have asked the board why local taxes cannot be reduced to partly offset the new state income tax, he reported.

Worthen listed the 1968-69 total school tax rate as \$3.12, including \$2.26 for education. In 1969-70, the highest rate in Madison county, he asserted.

In answer to a question, it was noted that teachers, despite their claims, have accepted "are acting in every way as if they are employees."

The board in suggesting a pay agreement for only two years recognizes that state aid may be altered at the 1971 legislative session, it was noted.

Schools Trying To Begin Fall Term Tuesday

School Opening Schedule Given; Buses to Operate

The following statement was issued by Granite City School Supt. Bob J. Davis today on Sept. 8.

"Pupil attendance in Community Unit School District No. 9 is scheduled for Tuesday, Sept. 8."

"Buses will make their normal morning runs.

"Should an insufficient number of teachers report for duty, pupils will be returned home shortly after arrival at school. Buses will return their passengers to their pickup points if it is determined that schools cannot function."

"Those pupils who do not ride buses will also be dismissed if an insufficient number of teachers report for duty."

"Teachers are to report in their assigned buildings at least 15 minutes prior to the time pupils are to be in the buildings."

"Following will be the starting and dismissal times for pupils:

Senior High School—8 a.m. to 1 p.m.

Central Jr. High—8:30 a.m. to 12:30 p.m.

Coolidge Jr. High—8 a.m. to 12:30 p.m.

Grigsby Jr. High—8:30 a.m. to 12:30 p.m.

Prather Jr. High—8:30 a.m. to 12:30 p.m.

Lake Elementary School—9 a.m. to 12:15 p.m.

All other Elementary Schools—8:45 a.m. to 12 noon.

E.M.H. & T.M.H. will be dismissed at 1:45 a.m.

"All teachers are to remain in their buildings until the normal school day's time of dismissal."

"Again, it should be pointed out that should an insufficient number of teachers report for duty, the above closing times will not be followed and pupils will be sent home soon after school dismissal."

"Lunches will not be served on Tuesday, Sept. 9."

"Full-day classes will be held starting Wednesday if the half-day program is successfully carried out Tuesday."

Mayor Authorized To File City's Disaster Claims

The Granite City council in special meeting Friday night designated Mayor Donald Partney as the city's authorized agent to handle claims for disaster damages resulting from the early July flooding.

The special session was called within a few hours after Partney and other city officials attended an Edwardsville meeting in which state Civil Defense authorities outlined procedural details for claiming damages under a \$500,000 allocation approved by President Nixon.

More than 50 representatives of Madison and St. Clair county public agencies attending the Edwardsville meeting were told that the first step involved appointment of an authorized agent for each subdivision to file claim papers and follow other procedure necessary to obtaining federal funds.

Granite City originally listed \$1,000,000 in damages and damages attributed to the flood, including damage to sewers and cost pumping operations in the West-Lynch avenue area of North Granite. All claims now must be put into official forms filed with William E. Eisele, Belleville, regional Civil Defense director.

The council designated Partney as the city's representative for the claim work and then adjourned. There was no other business.

15 DAYS WITHOUT A QUAD-CITY TRAFFIC FATALITY

The board's two offers were rejected by teachers Friday and Saturday. After Friday morning's meeting of union members at the Labor Temple, it was announced that a secret ballot had been held, with over 900 of the 530 members present voting for rejection.

A statement related that the members affirmed a Salary and Policy Committee recom-

Pupils Will Be Sent Home If Not Enough Instructors Report

Having rejected what Teachers' Local 743 has described as its monetary request, the Granite City school board at its regular meeting at 7:30 tonight may consider court action in an effort to get the schools into operation.

An attempt is being made to operate this week after two postponements of about one week each, during which negotiations were held.

Picket lines were present this morning but later eliminated all picket signs. An estimated 10 to 20 teachers attended an orientation today; the 200 who had attended Aug. 26 orientation were not required to attend.

The board decided Saturday not to alter opening plans set last Tuesday. These called for teachers to attend the opening institute today if they missed the previous one, and for students to report tomorrow for a half-day session.

All nine-month employees are being called back to work this week, and the regular bus schedule will be followed for students tomorrow. However, the teachers' reports, the children will be sent home home within a few minutes.

No Decision on Suit

The possibility of filing a quo warranto suit or injunction suit if necessary to operate the schools was discussed briefly by the board Saturday. No decision was reached.

Board Member George Moore said that the union may be the only alternative to a settlement. He noted that negotiations held over an extended period have failed to lead to an agreement.

Board Member Arthur L. More said that the union may be legally established whether a mass resignation letter has been filed or not. He said that the schools will be filled with new applicants if found to be vacant.

President E. W. Walton cited that resignation as a possible complication to a suit. It was noted that insurance claims are being handled and other communications are occurring that would indicate a settlement is being considered.

New Proposals Rejected

Two new proposals by each side were rejected in bargaining sessions held Thursday and Friday nights. No further sessions are scheduled.

In talks before Parent-Teacher Association executive board members Friday night, union spokesmen said school could be delayed until Oct. 25 without loss of about \$49,000 daily in the cost-of-living reduction. School district officials said Oct. 3 would be the probable start date.

It has been assumed that classes will be held during June instead of the term ending in May. May is shown in the school calendar.

The extent to which classes are held on weekends or other days would affect how soon state aid is lost; 176 days of attendance must be completed by June 30 to avoid penalties under existing state laws.

Offers, Counter-Offer

The school board proposed a monthly pay schedule ranging from \$783 to \$1450 in 1969-70, and from \$833 to \$1505 plus cost-of-living reimbursements in 1970-71.

Local 743 suggested an \$865-\$1544 schedule for one or two years and the board proposed \$788-\$1455 in the first year and \$833-\$1505 in the second year.

The union then gave its "rock bottom" figures of \$833-\$1505 for two years, with cost-of-living included the first year but omitted the second year.

Last year's pay range was \$668-\$1167.

Secret Vote by Faculty

The board's two offers were rejected by teachers Friday and Saturday. After Friday morning's meeting of union members at the Labor Temple, it was announced that a secret ballot had been held, with over 900 of the 530 members present voting for rejection.

Election Tuesday on Village at Mitchell

Balloting to Decide On Forming 'Chain of Rocks' Municipality

Opposition to incorporation of a proposed village of Chain of Rocks in a 68-square-mile area of Chouteau township continued to mount today as voters prepared to decide the issue in a special election tomorrow. Reports of two men beaten Friday night at the Mitchell fall festival indicated they were foes of incorporation.

Voters of the proposed village area will cast ballots at a single polling place at the home of Paul Seebold, 23 Paul Drive. Voting will be from 6 a.m. to 6 p.m. Tuesday.

Returns will be tabulated by five election judges immediately after the polls close and taken to the county clerk's office, Edwardsville, where Associate Circuit Judge Howard White of Jersey County, who ordered the special referendum, plans to canvass the vote tomorrow night.

Lack of Meetings

While the campaign for incorporation of a 47-acre tract in Chouteau township into a village to be known as Chain of Rocks has been marked by a lack of public meetings, both proponents and opponents of the plan have circulated literature and carrying out telephone campaigns.

The area proposed for incorporation.

Two Men Victims in Separate Robberies

GC Man Slugged in Madison; Other Held Up By Armed Bandits

Two area robberies, including one in which the victim was knocked unconscious, marked a series of 21 crimes reported to Quad-City authorities during the weekend. Three cars were stolen and three others were looted.

Three men, two of them armed with 45-caliber automatics, were driving toward Charles Ragen, 26, of 2717 Roosevelt street, off the road near Venice Saturday morning and robbed Ragen of \$33 cash and two rings worth \$600.

Ragen told Venice police he was driving toward Venice about 7 a.m. when a green and black 1968 auto pulled around his car just south of the Fourth Street curve and forced him to stop.

Two men jumped out of the car, each armed with an automatic, Ragen said. They took a diamond ring worth \$450 off one finger and a diamond-studded wedding band worth \$150 off another finger. They took his wallet containing \$33 in cash and then took his spare tire and wheel out of the trunk of his car, Ragen reported.

The third man, who was driving the car, pulled around and headed toward Brooklyn after the robbery, police reported.

Shugged, Robbed

Donald Caughon, 4702 Kirkpatrick Homes, was knocked unconscious and robbed of \$65 which was taken from his wallet, Madison police reported at 12:30 a.m. yesterday.

Caughon said he had driven his car onto the parking lot at Buzz's tavern, 1268 Madison avenue, about 12:15 a.m., and as he left his car he walked by an auto in which two men were sitting. As he passed the car, he said, he heard a car door close and an instant later he was struck on the head, and knocked unconscious.

When he revived, he said, his papers and cards still were in his wallet, but the money was missing. Police said Caughon suffered a two-inch head cut.

A living room door was stolen hours after the drive, according to Street Supt. Brimm at 4407 Kirkpatrick.

GOVERNOR PROPOSES NEW REFORMS IN JUDICIARY

A reform of the state judiciary, including removal of politics in the selection of judges, was proposed Thursday night by Gov. Ogilvie in Chicago.

According to the proposal, termed the Illinois plan, lawyers would nominate judges to the governor who would make appointments.

The plan would set a code of ethics, investigate and evaluate the competence of judges and remove them from the bench if necessary.

The governor speaking at the Illinois Judicial Conference, urged speeding of the administration of justice and rewriting laws and legal procedures to eliminate inequities and rigidities.

The governor said Illinois courts are troubled with the loss of public confidence, intolerable delays and "bad law" which impedes the administration of justice swiftly and impartially.

Ogilvie said respect for the courts must be restored, otherwise the law would rest only on coattails and inertia.

To speed court cases, Ogilvie said he would back requests for more judges where needed.

Property taxes Higher
Property tax increases from last year to this year were estimated at \$700,000.

Bond and interest payments associated with the construction program approved by voters in December 1968 have not yet started, Worthen said. It was noted that the referendum also included a 40-cent education tax rate authorization, part of which already is being used.

The question of whether there is a \$600,000 surplus was answered by saying that it does not exist and that the district was technically in debt at the end of the last fiscal year.

When asked what the PTA groups can do to seek a solution to the school dispute, Supt. Davis said their prayers would be welcome. He urged that all keep informed on school issues and not lose hope.

Industrial Labor Leaders Organize for UF Drive

George Becker, general vice-chairman of the United Fund campaign presided over a meeting Thursday at 7:30 p.m. at the Labor Temple with labor representatives of large industries in the Industrial Employment Division-Manufacturing section.

Industrial firms represented were American Steel Foundries, Dow Chemical Co., General Steel Industries, Granite City Steel Co., Jenkinson-Wright Co., Johns-Manville Products, Corp., Laclede Steel Co., National Lead Co., Nesco Steel, the Nestle Co., Rellly Tar & Chemical Corp., A. O. Smith Corp., Miles Laboratories - Union Division, Fox Industries, Lipsett Steel

Products, Inc., Ferro Process- ing Corp. and Air Products & Chemical, Inc.

Becker outlined organizational procedures and methods of communicating with the men of the plant in an awareness program to acquaint them with the United Fund and its agencies.

Emphasis was placed on contacting employees who have not joined the campaign in the past.

The division's goal this year is set for \$133,000 just \$400 less than the 1968 goal. This particular division raised only \$145,884 last year falling short of the goal by \$13,116. The committee has high hopes of attaining the goal set for this year's campaign, Becker said.

Carpenters Still Without Contract

Further contract talks between the Southern Illinois Builders Association and officials of two district carpenters councils have not been scheduled this week, it was reported today. Union officials said there was no progress in discussions held last Thursday afternoon.

About 3000 carpenters of 16 southern Illinois counties—members of the Carpenters District Council of Madison County and the Tri-County Illinois District of Carpenters—are the only major trades craft unions that have not reached agreements with the SIBA and the Illinois Contractors Association.

The carpenters are not striking, however, and are continuing to work on all jobs while negotiations are continuing.

Meanwhile, members of Hod Carriers Local 454 of East St. Louis which has been on strike was to vote today on a new wage offer by the Masonry Contracting Association. The offer provides \$3.25 per hour over a four-year contract. Members of the union now receive \$3 per hour.

No meetings are scheduled between representatives of Hod Carriers Local 197 of Bellevue and the SIBA. That local has been on strike since Aug. 6. About 45 men are involved. The local has rejected an offer of \$3.35 per hour over four years.

Warehouse, Terminal OK'd by Zoning Board

A recommendation to approve a request for a special use permit to operate a warehouse and a motor freight terminal in Chouteau township has been made by the Madison county zoning board of appeals.

Owner of the property, in a B-3 highway business district, is Myrtle Landwehrmeier. A stipulation requires that the facility be surrounded by a chain length or cyclone type fence not less than six feet high and that it can be securely protected from vandalism.

Another request for a mobile home in an R-4 single family residence district in Nameoki township was approved for the duration of the lifetime of the petitioner, Nancy Barrett.

A request by Ralph Moehle for a mobile home in an R-4 single family residence district in Nameoki township was denied.

The zoning board approved the petition of Herbert Fredman, for Fredman Brothers Furniture Co., to rezone two tracts of land in Fort Russell township, changing one from an R-1 one-family residence district to an R-5 five-family dwelling district, and the other from R-1 one-family residence district to B-2 general business district.

Much of Higher State Tax Is Intended for Teachers. Board Should Comply, Teacher Negotiating Team Says

Four issues—contract length, curriculum planning, summer school and salary—are of primary importance in the current disagreement with the Granite City school district, the Salary and Policy Committee of Local 743, American Federation of Teachers, told the Press-Record Thursday afternoon.

Interviewed regarding its view of the issues in the dispute, the negotiating group said several additional points also remain to be resolved.

The committee emphasized that its stand is considered to be sound because the positions taken by the union stem from long study and observation of school needs.

The full membership of Local 743 is kept informed through three or four meetings weekly, and the members have voted repeatedly and overwhelmingly to support findings and recommendations of the Salary and Policy Committee. Press-Record newsmen were told.

Committee positions on the four chief points followed:

1. Peaceful Era Cited
To help achieve an era of peace and stability in the school district, setting the stage for public support of a construction bond issue and tax rate referendum in December 1968, Local 743 agreed to a three-year period for the working agreement which expired this summer.

Due to inflation and due to the salary trends elsewhere in this region, the length of the last agreement is felt to have created a financial hardship on teachers in the Granite City district, which once was considered a leader in salary levels.

In the event that state tax aid should be increased further within the next year, Local 743 feels that this could not effectively be passed along to faculty members if they accept a long-term agreement. With this in mind, a one-year pact is sought.

Voice on Courses, Methods
Although a number of committees including teachers have made studies of curriculum and school program, most recommendations during the past decade have been filed away without becoming a part of school policy. Local 743 believes.

It is proposed that, in the future, teachers be paid for committee service or be granted released time for such tasks. If the school district is paying for the studies and recommendations, it is felt that the findings are likely to be given greater attention. "Teachers frequently have suggestions to make on the content of courses and the teaching methods used," a negotiator said. "This is understandable because they are in the

classroom every day, and administrators are dealing with other matters at their office desks.

"There are too few routes open to the teachers for experimentation and improvement. We want a teacher-administrator committee to consider and propose changes annually, but this would not be dictation; their conclusions would be in the form of recommendations."

Summer Pay Called Lower

The school board has consistently rejected or ignored proposals to set up its summer instruction on a contractual basis, Local 743 says, and as a result teachers are paid at lower hourly rates than they receive for similar work during the regular school term.

It is felt a summer contract would lend itself to future innovations involving extended terms or quarterly operation.

4. It is considered important to students and to the public that pay be sufficient to attract mature, experienced instructors as well as those who are young and relatively new to the profession.

The Granite City district has a higher proportion of men teachers than most districts in this region, but for local schools to continue to attract and keep teachers, it will be necessary for it to provide adequate salaries. This involves more than merely keeping pace approximately with the "going pay rate of other area schools."

It also is stressed that there is still much "catching up" to be done, due to the past history of comparatively low salaries to teachers. Those who have remained in the profession over a long period of years have made significant sacrifices to do so, it is believed.

Formula for Extra Pay
Additional issues include the formula by which extra pay is given for such work as the

teaching of a class during an instructor's normal preparation period.

"Such assignments are given without notice and may occur at a time when a teacher is preparing a test or other material for the next day's classes. He then devotes extra time to a complex task, a negotiator noted.

Local 743 makes a number of points regarding its view of the Granite City school district's financial situation, based on the district's own records and audit reports. Included are the following:

Tax Rate, Levy Outlook
While it is projected that there will be a \$60,000 increase in local taxes for 1969-70 compared to 1968-69, this stems from increases in property taxes on new property.

The tax rate for education is expected by school administrators to remain the same, as shown in the tentative budget.

In reporting a \$225,000 balance on June 30 over \$800,000 in encumbrances, the school district did not mention that \$600,000 in state aid, federal funds and other revenue would be received before the encumbrances were paid.

The rise in education fund revenue from 1968-69 to 1969-70 is likely to total \$2,600,000. Of this, Local 743 seeks for classroom teachers only \$1,000,000, or about 63.5%, regarded by the local as the same proportion as paid to classroom teachers in 1968-69.

The remaining 36.45%, if 63.5% were for teacher salaries, would be available for books and other instructional costs. State aid to schools was increased primarily to meet teacher salary needs, and local residents are paying for it through the taxes they pay to the state. It will cost them

whether or not the funds are passed along to the teachers or diverted for other purposes.

Local 743 members and officers say they are not striking but rather have resigned.

The local in June asked the board to extend the period during which teachers could resign until the time when teachers knew what their future pay and working conditions would be.

Local Control of Union
Local 743 emphasizes that it has full control over its union decisions and policies.

Although assistance from Teachers Federation officials at higher levels has been offered and might at some time be utilized, there has been no participation from outside the Granite City district; all negotiations are being handled at the local level.

While State Supt. Ray Page was quoted in June as saying union publication several weeks before he formally ruled that schools could not operate with out full teaching staffs, it is believed the quote was from remarks he had made publicly.

"There was no leak to the Federation," While Supt. Page had given some indication publicly, there was no assurance of knowledge here at our opening meeting this fall that he would issue such a ruling," a member of the Salary and Policy Committee said.

Long caucuses during negotiations were long periods of scheduling of sessions and an absence of concrete proposals have raised doubts in the mind of Local 743 negotiators as to whether school officials seriously want a prompt resumption of sessions.

Local 743 is entirely sincere in its requests; it is trying to avoid a long closing of schools and to avoid contributing to the creation of chaotic conditions, the Salary and Policy Committee asserted.

JAMES M. BROWN
Dr. Brown Assistant To President of SIU

James M. Brown, executive dean of academic affairs at the Southern Illinois University at Carbondale, was named special assistant to SIU President Delroy W. Morris for a one-year term. Brown will succeed Clarence W. Stephens, who is on sabbatical leave. The appointment is subject to the approval of the board of trustees.

Brown joined the faculty in 1965 and was appointed an assistant to the vice-president for academic affairs in July 1968. He was named assistant to the chancellor of the Southern Illinois campus last July and executive dean for academic affairs last month.

The new aide to President Morris earned a bachelor of arts degree from Rice University, a master of science degree from the California Institute of Technology and a master of arts and doctor of philosophy degrees from the State University of Iowa.

Brown and his family reside in Carbondale.

Three Divorce Decrees Granted Area Couples

Three Quad-City area couples have obtained divorce decrees in Madison county circuit court at Edwardsville. They are:

Linda Burns from Neal C. Burns, both of Granite City. They were married July 27, 1961, in Granite City and separated last May. Cruelty was charged. Custody of two children was given to the mother, and the father agreed to pay child support of \$100 per month.

Judy Faye Bunker from Orle Bunker Sr., both of Granite City, on a counter complaint. They were married Nov. 14, 1966, in Granite City and separated Jan. 19, 1967. Her maiden name of Judy Faye Miller was restored.

Carol Marie Charter of Granite City from Walter Gene Charter of Del Ray, Calif. They were married June 1, 1962, in Madison, and separated Oct. 25, 1968. Bigamy was charged. Custody of two children was given to the mother, and the father was ordered to pay child support of \$20 per week per child.

Parked Auto Struck

The left side of the auto of Wayne Helms, 614 S. 1st St., City, parked at 16th street and Delmar avenue, was struck by a car driven by Edwin Smith, 74 Gatesch Homes, Madison, at 10:10 a.m. Friday. Smith was charged with having no valid operator's license.

Cheerleading Awards To Granite Cityans

The cheerleading squad from SIU-SW has won four performance ribbons at the Southern Universities Government Association workshop at Colorado State College. It was announced late last week. It earned a superior, two excellent and two outstanding awards in competition with 20 other colleges and universities.

The annual workshop is held to promote the exchange of cheering skills and the development of new cheering techniques. The squad included Donna M. Ferro, 2520 Delmar avenue, and Robin W. Teague, 2606 Grand avenue.

Vandals Mar House

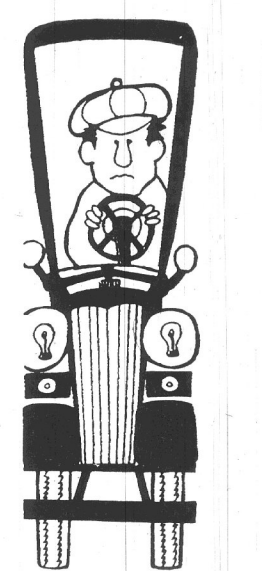

Lesley Pouch, 1644 Spring avenue, reported at 8:15 a.m. Friday that during the night someone threw garbage on the front sidewalk, shredded paper on the front lawn, placed mud on the front porch and door and tore flowers from a flower box on the side of his house.

County Board to Hold Annual Meet Tuesday

The Madison county board of supervisors will hold its annual meeting at 9:30 a.m. Tuesday in the courthouse at Edwardsville.

The agenda includes authority to advertise for bids for wiring on the third floor of the courthouse and for carpet or tile on the county clerk's first floor office, report of bids for jail repairs and for a new station wagon for the detention home, and permission to purchase a bookkeeping machine for the county clerk's office.

Cheryl Louise Tucker Bride of Wm. Barton

Miss Cheryl Louise Tucker and William Dale Barton exchanged marriage vows during an 11 o'clock ceremony Saturday morning at St. Margaret Mary Roman Catholic Church, Granite City, Rev. Hugh Cassidy, officiated.

Altar bouquets of pink and white carnations, satin bows on the pews and a white aisle cloth decorated the church.

The bride is a daughter of Mr. and Mrs. Floyd C. Tucker Jr., 3005 Wayne avenue, and the groom's parents, Mr. and Mrs. Shirley E. Barton, reside at 1437a Third street, Madison.

Given in marriage by her father, the bride chose a pure white delustered satin A-line gown fashioned with a scoop neckline and Empire waistline encircled with motifs of re-embroidered Alencon lace, etched with pearls. Lace motifs were repeated on the long tapered sleeves and edged the detachable train.

A forward headpiece of satin bows and pearls secured her triple tiered veil of bridal illusion. She carried a teardrop bouquet of all white carnations, stephanotis and lily of the valley.

Miss Judy Rozycski was maid of honor, serving with Miss Chris Rodgers and Miss Denise Tucker, a sister of the bride, as bridesmaids.

They wore identical floor-length gowns of rose petal chiffon designed with high wedding band necklines. Short pleated puffed sleeves were set in the modded bodices, encircled with moss green satin. A soft bow and streamers of moss green, attached at the back waistline, enhanced each A-line gown.

Each attendant carried a bouquet of frosted pink carnations. Dan Antonovich attended the groom as best man, with Tom Sleska and Frank Scaturro as groomsmen. Jack Mefford and Shirley Barton, brother of the groom, seated the guests.

A wedding breakfast was served immediately following the ceremony at the VFW hall and the evening reception for guests was also given at the VFW.

After a wedding trip to Florida, the newlyweds will make their home in Granite City.

The former Miss Tucker graduated in 1966 from Granite City high school and is employed at the Aloe Division of Brunswick in St. Louis.

The groom is a 1963 graduate of Madison high school and his employment is with General Steel Industries.

MRS. WILLIAM D. BARTON, whose wedding took place Saturday at St. Margaret Mary Catholic Church. She is the former Cheryl Louise Tucker, a daughter of Mr. and Mrs. Floyd C. Tucker Jr., 3005 Wayne avenue.

VISIT IN MISSOURI

Mr. and Mrs. Steve Conkovich, 2802 Dogwood drive, returned home last week after spending the Labor Day weekend at "Doggatch, U.S.A." in Harrison, Ark., and visiting at Silver Dollar City and Branson, Mo., and in Eureka Springs, Ark.

Headrick-Laney Vows at Church

Miss Terri Laney, a daughter of Mr. and Mrs. H. E. Laney, 1633 Ferguson avenue, and James R. Headrick, son of Mrs. Edith Headrick, 2165 Woodlawn avenue, were married Friday evening in an informal ceremony taking place at First United Presbyterian Church.

Rev. David B. Maxton, D.D., heard the vows of the couple at 8:15 and the bride's parents entertained about 50 guests afterward at a buffet reception in their home.

The bride wore a pale blue street-length street knit dress and a corsage of yellow roses. She was attended by Mrs. Loretta Cox in navy blue with white carnations pinned at her shoulder. Danny King was best man for Mr. Headrick.

The couple will live in Mitchell. Both are graduates of Granite City high school. The former Miss Laney is employed as a clerk by the International Shoe Co. in St. Louis and Mr. Headrick is an employee of Granite City Steel Co.

TRUTH CIRCLE RESUMES MEETING SCHEDULE

Truth circle of Nidringhaus United Methodist Church met Thursday evening under the leadership of Mrs. Betty Williams. Mrs. Lucy Weaver and Mrs. Dorothy Frohardt were co-hostesses in the latter's home, 2311 Edison avenue.

Mrs. Williams opened the meeting with prayer and Mrs. Shirley Bushue gave the devotion on "God Is a Shout in the Street" from the Together magazine. The subject dealt with new attitudes of the world toward God and his ministry. A short discussion followed.

Committee chairmen were appointed for the annual Bazaar of the Woman's Society of Christian Service and the Membership Committee.

Further plans were made for the bazaar and Mrs. Williams announced the monthly meeting of WSCA and their workshop.

Refreshments were served to Mesdames James West, Pearl Campbell, Corinne Hinson, Helen Simpkins, Lebia Gitchoff, Angie Mathis, and the above named. The next meeting will be on Oct. 2 at the home of Mrs. Bessie Lindley.

Brokaw-Chapman Vows At Nameoki Methodist

Arrangements of white summer flowers, greenery and burning candles in candelabra formed the setting Saturday evening at the Nameoki United Methodist Church for the wedding of Miss Ellen Chapman and Robert Edward Brokaw.

The parents of the couple are Mr. and Mrs. George V. Chapman, 2000 Garfield avenue, and Mr. and Mrs. Robert Brokaw, 2321 Grand avenue.

The ceremony took place at 8 o'clock with Rev. William Fester, pastor, and Rev. Samuel Boda of St. John Lutheran Church officiating.

Mrs. Janet Warren and Miss Linda Rains attended the bride. Mrs. Warren was matron of honor and Miss Rains was bridesmaid.

Mrs. Russell West was at the organ and accompanied the soloist, Mrs. June Branding, as she sang "The Wedding Prayer" and "Thy Ring Upon Thy Finger," continuing with the wedding march and recessional.

A white street-length dress embroidered with white silk thread was worn by the bride. It gave a white on white effect and was designed with a high belt and a rhinestone buckle.

A shoulder-length bouffant veil of illusion was held in place with a Venise lace headband and the bride carried a bouquet of two dozen white roses combined with pink baby breath.

The bridesmaids wore short green moire dirndl skirts with white ruffled blouses and pink sashes tied in bows in the back. Their flowers were colonial bouquets of pink roses, pink

carnations and pink streamers and they wore pink baby's breath in their hair.

Little Wilene Wolfe, the bride's cousin, and Tony Hatfield, a nephew of the bridegroom, served as flower girl and ring bearer.

The flower girl wore a short white noire dress and carried a small bouquet of the same flowers as the older girls' bouquets.

George Wolfe was best man and Norman J. Brokaw, the bridegroom's uncle, Dave Kaminski and Gene Hatfield, the bridegroom's brothers-in-law, and Ronald Wolfe, a cousin of the bride, were groomsmen and ushers.

Mrs. Chapman wore a light grey crepe dress, silver accessories and a purple orchid corsage. A purple orchid was also worn in her hair.

The bridegroom's mother chose a brown knit costume suit and brown accessories with an eggshell orchid corsage.

The wedding reception was held in the Officers Club at the Army Depot and the newlyweds left for a honeymoon in the Missouri Ozarks.

A graduate of Western Illinois University last June with a bachelor degree in education, the bride plans to teach this fall. Mr. Brokaw, a graduate of the Granite City schools and of Northeast Missouri State College, returned recently from a tour of duty with the armed forces in Vietnam.

Miss Donna Holman, a cousin of the bridegroom, was in charge of the guest book at the reception.

MRS. ROBERT E. BROKAW. Her wedding was an event of Saturday evening at the Nameoki United Methodist Church. A daughter of Mr. and Mrs. George Chapman, 2000 Garfield avenue, the bride is the former Ellen Chapman.

LOYALTY CIRCLE PLANS WORK DAYS

The home of the leader, Mrs. Mary Grushong, 3313 Princeton drive, was the place of meeting Thursday evening for the Loyalty circle of Nidringhaus United Methodist Church.

Mrs. Sharon Shafter opened the meeting with a devotional service and prayer, and Mrs. Bennie Yates presented the lesson from the study book, "Women of the Bible."

Plans were made by the group for the annual bazaar to be held in November.

It was decided to hold workshops for the event on the second and fourth Thursday evenings and on the first and second Tuesdays at 10 a.m. They will take place in the Grushong home.

Refreshments were served by the hostess, Mrs. Joanne Dix, to 13, including those mentioned and Mesdames Janet Wilson,

Miss Geraghty, Joseph Wheeler Are Married

Another of the recent out-of-town weddings of interest locally was that Saturday afternoon at St. Mark's Catholic Church in Independence, Mo., of Miss Maureen Ann Geraghty, 4482 Lindell Blvd., St. Louis, and two other sisters of the bride, Misses Kathleen and Theresa Geraghty, were dressed in Empire gowns of silk chiffon in gladiol shades. Their flowers were Victorian clusters of white mums, moss green velvet ribbon and leather leaf fern.

The bride's parents are Dr. and Mrs. Maurice M. Geraghty of Independence, Mo. Mr. Wheeler is a son of Mrs. Wallace M. Wheeler of Pensacola, Fla. His father is deceased.

The 2 o'clock ceremony was followed by a reception in the church hall.

An Empire gown of candlelight silk organza and pou de sole worn by the bride was enhanced with re-embroidered Alencon lace. It had bell-shaped sleeves and a modified A-line skirt. A chapel mantilla was of matching lace and she carried a

Petras-Ebling Nuptials Here

In an evening ceremony taking place Saturday at Central Christian Church, Mrs. Roberta Anne Ebling, a daughter of Mr. and Mrs. Robert C. Ebrecht, 48 Shirlewin drive, was married to John P. Petras Jr., whose parents are Mr. and Mrs. J. P. Petras Sr., 849 Niedringhaus avenue.

Rev. James R. Craddock officiated at the candlelight ceremony.

Bouquets of white and blue flowers and greenery decorated the altar of the church and white satin bows marked the family pews.

Music was furnished by Ron Ebrecht, a cousin of the bride, organist, and Mrs. Lois Bibrey, vocalist. The latter sang "I Love You Truly" and "More."

The former Mrs. Ebling wore a white satin brocade gown styled on Empire lines. It was trimmed with baby blue satin ribbon and Irish crochet lace.

A shoulder-length veil of tulle was held in place with a headpiece of white organza petals applied with blue daisies and seed pearls and she carried a colonial nosegay of daisy pompons and blue streamers.

The maid of honor, Miss Pam Watkins, and bridesmaids, Miss Karen Ebrecht, a sister of the bride, Miss Paula Johnston and Miss Gail Fenton, wore baby blue gowns made on Empire lines and trimmed with Venice lace on the sleeves and the hemlines. Their flowers were nosegays of daisy pompons with ribbon streamers.

Lynn Schoenhardt, a cousin of the bride, and John Petras Jr., the bridegroom's cousin, served as flower girl and ring bearer. The former wore a long white dress with blue trim and streamers of blue grosgrain ribbon down the back. Her flowers were a miniature of the bride's bouquet.

Bill Conwell, the bridegroom's cousin, was best man, and Dennis Wickham, Eddie Milton, Don Ramsey, another cousin of the bridegroom, Robert Wilder, and Steve Ebrecht, a brother of the bride, were groomsmen and ushers.

The bride's mother chose a sheath dress of royal blue lace and white accessories.

The wedding reception was held in the church Fellowship Hall and the couple left afterward for a honeymoon at the Lake of the Ozarks. They will live at 2404 Grand avenue.

The former Mrs. Ebling was graduated from Granite City high school in 1967. Mr. Petras is employed by American Steel Foundries.

Mrs. Cheryl Under presided over the guest book at the reception.

MRS. FRANK STODNICK JR. A bride of Saturday, she was Patricia Lee Hodshire, a daughter of Mr. and Mrs. Richard Hodshire, 3318 Johnson road, before her wedding at First United Presbyterian Church.

Patricia Lee Hodshire Weds Frank Stodnick

First United Presbyterian Church was the setting for the evening wedding Saturday of Miss Patricia Lee Hodshire, a daughter of Mr. and Mrs. Richard H. Hodshire, 3318 Johnson road, and Frank Stodnick Jr., son of Mr. and Mrs. Frank Stodnick Sr., 1739 Market street, Madison.

Bouquets of white gladioli and "mums" decorated the altar, and white ribbon bows were used on the pews. Candelabra entwined with white ribbon and greenery lighted the aisle through which the procession passed, the bride escorted by her father.

Mrs. Richard Branding, soloist, sang "Because," "With This Ring I Thee Wed" and the Lord's Prayer. She was accompanied on the organ by Mrs. Isabel Schmidt.

Rev. David B. Maxton, D.D., officiated at the 7 o'clock service, which was followed by a reception at the Lewis and Clark restaurant in East Alton.

The bride wore a gown of pure white organza. The high Nehru neckline and yoke of the gown were appliqued with imported Venice lace, and more of the lace detailed the full bishop sleeves and cuffs.

Designed on Victorian lines, the Empire bodice was outlined with a narrow belt of the same fabric. The slender A-line skirt, unadorned, ended in a detachable court train of organza.

A Camello headpiece of the same period was appliqued with the same type of lace as that of the gown and was trimmed with pearls and crystals. It secured the bride's short bouffant veil of silk illusion.

She carried an old fashioned bouquet of white roses, carnations and lilies of the valley. Miss Sheila Obranovich was maid of honor, and Miss Fran Alexandrelli, Miss Peggy Lee Eubanks, a cousin of the bride, and Mrs. William Berkshire, the bridegroom's sister, served as bridesmaids.

Identical gowns of moss green chiffon were worn by the attendants. They were fashioned with scoop necklines trimmed with floral motifs of yellow and orange. Motifs also adorned the Empire bodices. The sleeves were long and full and satin ribbon bows fell from the back waistlines of the long A-line skirts.

Contrasting headpieces of orange and tiny veils completed the costumes. They carried round bouquets of orange and bronze flowers with orange velvet ribbon and greenery.

William Berkshire, the bridegroom's brother-in-law, served as best man and the corps of groomsmen and ushers consisted of Harry Briggs Jr., Dennis Michael, Richard C. Hodshire, a brother of the bride, and James Fiedler and Mark Pickett.

Miss Cathie Williams of St. Louis and Miss Diane Henderson lighted the candles and Miss Marilyn Rensing of Collinsville, a cousin of the bride, was in charge of the register at the reception.

Others assisting at the reception were Mrs. Leon Scraggins, Mrs. Lawrence Todoroff, Miss Christy Heintz, Miss Debbie Wallace, Miss Marsha Love, and Miss Tommy Ann Green.

For her daughter's wedding, Mrs. Hodshire wore a powder blue ensemble with a high neckline trimmed with coral beads, and a matching coat. The bride's mother was in aqua dress with a mandarin neckline and silver trim.

Both wore matching accessories and rose corsages tipped to match their costumes.

The newlyweds left after the reception for a short honeymoon; the destination of which was not disclosed. They will reside at 2035 Edison avenue.

The bride and groom are both graduates of Granite City high school, and the bridegroom is employed as an operating engineer. He is also attending STU-SW.

The former Miss Hodshire attended STU-SW and Carbondale. She is presently employed by Southwestern Bell Telephone Co.

Track Becomes Sixth Major SIU-SW Sport

Appointment of Jack Whitted as head track coach for SIU-SW has been announced by Harry Gallatin, head of intercollegiate athletics. Whitted formerly served as director of intramural sports on the East St. Louis campus.

The addition of track and field to the SIU-SW athletic program brings to six the number of major sports on the southwestern campus. The others are soccer, cross-country, basketball, baseball and golf.

Home track and field meets will be held at Rosana high school, Gallatin said, "until facilities can be built at the university."

Coach Whitted, a native of Danville, Ill., earned his undergraduate degree from Eastern Illinois University, Charleston, where he played end on the football team and sparked two Illinois Athletic Conference grid championships. He pitched two years on the baseball team.

He earned a master degree in health, recreation and physical education from Washington University, St. Louis, in 1962, while coaching three sports, football, basketball and track, at Rock junior high school in East St. Louis.

He had an outstanding winning record in all three sports at Rock junior high from 1957 through 1967, when he joined the SIU staff. Overall, his teams won 229 games and meets and lost 108. In football, his teams won 60, lost 35; in basketball, the record was 140-57; in track, it was 79 victories against 16 losses.

Whitted said he will schedule six meets in SIU-SW's first

JACK WHITTED

track and field season, three at home and three away. He added: "This metropolitan area is one of the best in the entire United States for high school track. Alton and East St. Louis high schools, particularly, are producing some of the nation's top college prospects and St. Louis colleges are right in there with them."

Coach Whitted is married to the former Mildred Mason of East St. Louis. They have no children. Their home is in University City, Mo.

The Tri-City Speedway will have no weekly racing for the remainder of this season. The only racing now scheduled this year for the track is the traveling USAC midget auto caravan Sunday, Sept. 14.

Rain Saturday cut attendance and hampered the hobby cars of the Southwestern Stock Car Association. About 300 spectators viewed the colliding modified hobby cars on the muddy track.

The feature race, which had to be started three times, saw Don Gerstner, SWSCA champion, finish first. Len Baumgardner took second and Bill Handigan third.

In the semi-feature, Marvin Pruett won. Gruenfelder held second despite brake failure for the final three laps and Baumgardner was third.

Heat races were won by Leroy Rothenmeier, Baumgardner, Les Blankenship and Gruenfelder.

Postpone Playoffs

Inter-City Baseball League playoffs planned for yesterday were postponed due to wet grounds.

The contests have been rescheduled for Sunday, Sept. 14, when Mercer (11-8) will host Potomacans (12-1) at Wilson Park and East Alton (16-9) will meet champion Collinsville (13-7) at Collinsville's Fletcher Field, both at 2:30 p.m.

A 7-inch portable television set and two large turquoise table lamps with white shades were taken in a burglary at 1420 Nineteenth street early Friday.

Francis said in reply to a question that "the teachers are not on strike," there was general laughter in the audience.

Teach 'SATs, Holidays'
The PTA officers were told that school could be delayed until Oct. 25 without loss of state aid through holding of classes on "Saturdays and a lot of holidays."

School officials later in the evening said state aid would be jeopardized after Oct. 3. They are not inclined to schedule SAT days.

A question about the resignation procedure used by teachers brought the answer that it does not involve loss of seniority or loss of position on the pay schedule.

An auto spokesman said the local willing to forego a cost-of-living reimbursement in 1969-70 if its proposed pay level is accepted.

It was stressed that state union officials have not been a part of the negotiations here. Whether a one-year agreement would lead to another work stoppage next fall was not answered.

The meeting was arranged by Frohardt PTA officers, and Diete Sieb served as moderator.

MORE ABOUT
Election Tues.
poration has about 506 residents, not including occupants of mobile home trailers, and is part of the area proposed for incorporation into the proposed village of Chouteau in an election Feb. 26, 1968. That election was defeated by a vote of 67 to 1.

The area proposed for incorporation in tomorrow's balloting election territory in which the heaviest opposition vote was cast in the village of Chouteau election 18 months ago.

Opponents of the plan point to a meandering boundary line as an effort by backers of the plan to include only that area likely to cast a favorable majority.

Neighboring Area Opposed
The new incorporation effort has been opposed by residents living in subdivisions just outside the proposed village area as well as by residents living within the boundaries. The "outsiders" contend that the village, if it is established, later could annex their area without referendum, although they have opposed being part of an incorporated area.

Opponents of the incorporation plan, living both within and outside the village boundaries, charged last week that they had received threatening telephone calls instructing them to "get our nose out of the election or get it burnt."

Those who live within the proposed village area and who oppose it claim incorporation would take the area from under jurisdiction of county zoning ordinances and the sheriff's office, requiring the village to provide its own police protection, as well as other services. They say, would result in a substantial increase in taxes.

Proponents say roads and drainage could be improved and that state revenue could be channeled to the area from income, sales and gasoline taxes.

23rd-Madison Crash
Rain-dampened pavement was blamed for collision at 8 p.m. Saturday at 23rd street and Madison avenue between the northbound auto of Thomas Rea Jr., Rural Route Two, and the southbound car of Judy Wallace, Chicago.

A Belleville attorney assisting in advising Local 743 was described as commenting that "they've got the money everywhere" after he reviewed Granite City school financial records. The GC district was said to be in a "healthy condition."

Chicago Starting Pay
When starting pay in Chicago was reported to be \$933 monthly.

Francis said teachers are not working here while negotiating because the duration of the talks, dating back to last January, shows this would be insufficient to obtain an agreement.

Lane said resumption of work would result in a quick loss of interest in the issues by the school board.

Miss Barbara Zimmer Weds Richard Schell

Miss Barbara Zimmer, daughter of Mrs. Roland Zimmer, 2506 Pine street, and of the late Mr. Zimmer, became the bride of Richard Schell, a son of Mrs. Freda Pierce of Belleville, Friday evening at St. Peter United Church of Christ.

Dr. Robert J. Baumann heard the vows of the couple at 8 o'clock before the altar adorned with arrangements of white chrysanthemums. Orchid and white bows decorated the candles which lined the aisle.

Robert Dial presided at the organ and accompanied the vocalist, Howard Mason, as he sang "The Lord's Prayer and 'O Perfect Love.'"

The bride was given in marriage by her paternal uncle, Larry Zimmer of Edwardsville. She wore a floor-length gown of saki linen, Venice lace trimmed the high stand-up collar and deep cuffs of the short puffed sleeves. Three rows of the lace formed a panel down the front of the bodice and detailed the Empire effect. Rows of lace also edged the slightly gathered skirt.

A matching saki bow appliqued with lace secured the bride's bouffant veil of imported illusion and she held a nosegay of white carnations, daisies and asters.

The only attendants were Miss Janis Zimmer, a sister of the bride, and David Adamson, Bill Stethem and Paul Vallina served as ushers.

The bridesmaid was attired in a gown of seakist turquoise saki linen. A narrow band of satin saki was set into the mandarin collar and on the

LOYALTY CIRCLE MEETS

AT KOHL RESIDENCE

The Loyalty circle of Niedringhaus United Methodist Church met Thursday in the home of Mrs. Charles Kohl, where a salad luncheon was served to ten members prior to the business meeting and program.

Mrs. Russell West, circle leader, presented the lesson, prepared by Mrs. Charles Boyle. The latter was named by the circle chairman as representative to the church bazaar committee which is planning the annual event for Nov. 21.

Circle members will next meet on Oct. 2 at the church, with Mrs. Percy Barron and Mrs. Lawrence Hopkins as co-hostesses.

AUTUMN BRIDE-TO-BE, Miss Mary Frances Sampson, whose engagement to William Michael Burke has just been announced by her parents.

Engagement of Mary Sampson

Mr. and Mrs. Harry Sampson, Rural Route Six, Edwardsville, are announcing the engagement of their daughter, Miss Mary Frances Sampson, to William Michael Burke, whose parents, Mr. and Mrs. Burke reside in Highland, Ill. Mrs. Sampson is a former Mitchell resident.

The wedding of the couple will be solemnized on Oct. 4 at St. Boniface Roman Catholic Church in Edwardsville. Miss Sampson graduated from Edwardsville high school in June and is employed at a drug store in Edwardsville.

The prospective groom was graduated from Highland high school in 1965 and served in the Army for two years, with 11 months spent in Vietnam. He is presently employed in St. Louis.

COMPLETES FIVE-WEEK

WESTERN VACATION

Mrs. Pearl Thomas, 2008 Hodges avenue, returned home Friday from a five-week vacation tour of western states. In California, she was a guest in the home of her sister, Mrs. Kate Riggles of Sacramento and of a grandson and his wife, Mr. and Mrs. James Burton, former Granite Cityans, now of Santa Ana.

She visited friends, Mr. and Mrs. Vernon Johnson, Long Beach, Mr. and Mrs. Joe Kern and Mrs. Ann Kern, La Habra, Mr. and Mrs. Robert Allen, Orange City, and Cecil Hensley, Burbank.

She spent a few days in Colorado with a nephew and niece, Mr. and Mrs. Richard Vonsy, who moved to Fontana, Calif., during her visit, and Mr. and Mrs. Jack Thomas, and Mrs. Mamie Groff of Colorado Springs and a brother-in-law and sister-in-law, Mr. and Mrs. Ed Cox, Manitou Springs, all former local residents.

Afternoon Guild Begins Season

Following a summer recess, the Afternoon Guild of St. Peter United Church of Christ held its first meeting of the fall season Thursday at the church.

The meeting was preceded by a salad luncheon served at tables attractively decorated with late summer flowers, pins and cards complementing the theme for the year, "Be the Good News."

During the luncheon, new yearbooks were distributed and a brief look at the programs for the coming season was given by the program chairman, Mrs. Leonard Anderson.

After a welcome by the new president, Mrs. Arthur Buehler, the committee presented a program on the theme "Be Concerned." To be concerned the members must be informed, it was stressed. Brief introductions to the periodicals of the church, "The United Church Herald," "Circuitry," daily devotional guides, "Colloquy" and "Youth" were presented by Mrs. Emil Mueller, Mrs. Russell Johnson, Mrs. Arnold Arboogast, Mrs. R. J. Baumann and Mrs. John Brinkmeyer.

Mrs. Helen Wiedeman was welcomed as a new member of the guild, and plans were made to serve a dinner for the Illinois Children's Home and Aid Society Sept. 15.

A contribution of \$25 was made to the Back Pay Mission of the United Church of Christ.

Miss, for emergency aid to hurricane victims, and Mrs. Lillian Baumeyer called attention to a rummage sale which the group will sponsor Oct. 31 at the American Legion hall on Madison avenue.

Mrs. Ruth Kabureck reported on new books added to the library, and presented awards to readers during the 1968-69 year. Receiving the awards were Mrs. Linda Brown, Mrs. Leola Arboogast, Mrs. Theresa Dalgard, Mrs. Arlene Brinkmeyer, Mrs. Irene Wright, Mrs. Iona Williams, Mrs. Udo Baris and Mrs. Louise Favier.

Members were requested to bring "white elephant" items to the church on Sunday to be given to Protestant Welfare for sale in a booth at the United Fun Fair at the Wilson Park skating rink Sept. 27-28.

Carter bandage makers will resume their work on the second and third Thursdays of each month under the direction of Mrs. Eugene Baumberger.

CANDLELIGHTERS CLUB RESUMES MEETINGS

The Candlelighters club met for the first time in the 1968-70 season Thursday evening in the home of Mrs. Arlene Morley, 1305 Eileen street, Collinsville.

Pinnacle was the game for the evening and those winning prizes were Mrs. Bette Rea, Mrs. Dorothy Carr, a guest, and Mrs. Norma Powell.

Mrs. Shirley Brown was honored on her birthday and received gifts from each member and her secret pal.

A late luncheon was served by the hostess to those named and Mesdames Arlene Laundon Hogan and Doris Thompson.

The next meeting will be Sept. 18 in the home of Mrs. Hogan, 3149 Aubrey avenue.

CLUB HOLDS FAREWELL PARTY FOR MRS. MEDLIN

Mrs. Pam Medlin, 2377 Boyle avenue, entertained members of her card club Wednesday evening and they in turn honored her with a surprise farewell party.

The Medlin family will be moving to West Virginia in the near future. Mrs. Medlin was presented a gift on behalf of the club, and also a decorated cake inscribed "Farewell."

Yahzee was played instead of the group's regular canasta games. Winning prizes were Mrs. Sandy Pinski, first; Mrs. Sally Basarich, second; and Mrs. Carol Delahoy, third.

The hostess served a late lunch to the prize winners and Mesdames Brenda Palmer, Diane Smith, Carolyn Kuzma and Linda Chapman.

Mrs. Delahoy has invited the club to her home on Route Two for the next meeting.

QUILTING LADIES HONOR MRS. VIOLET MILLER

Quilting Ladies of Nameoki United Methodist Church met Wednesday for their regular quilting session and lunch. They also observed the birthday of Mrs. Violet Miller, who received a gift and a cake from her secret pal.

Mrs. Lucille Russell was hostess for the day, providing salad for the noon luncheon. Guests welcomed to the gathering were Miss Phyllis Wallace, daughter of Mrs. Dorothy Wallace, a member of the quilt-

ers' group, and Mrs. Essie Backinghaus.

Additional members present were Mesdames Ena Potter, Lou Ann Briner and daughter, Linda, Marian Whittaker, Villa Ridings, Anna Alsop and Virginia Carroll.

TROOP 143 STUDIES ACTIVE CITIZEN BUDGE

Junior Girl Scout Troop 143, sponsored by the Nameoki PTA, held its first meeting of the year at the home of the leader, Mrs. Albert Heeger, 2048 Pontoon road, Wednesday afternoon.

Co-leader is Mrs. Bruce Wright. Officers elected for the troop were: patrol leaders, Karla Foote, Karen Plese, Joyce Halderman and Paula Worthen;

scribes, Connie Hohn; and treasurer, Susan Davis.

The leader told the girls about the United Fund "Fun Fair" to be held at the ice rink Sept. 27 and 28, and explained the booth the scouts will sponsor. She requested each girl provide cupcakes for the event, taken to her home on Sept. 26.

Members chose the badge as the first one they will work toward.

Each girl had brought a poem regarding citizenship. All were read and voted on. The poem chosen as a troop choral reading was submitted by Edith Graf, entitled, "American Flag." It was written in 1819, and was found in a book published in 1925, owned by the Graf family.

Mrs. Heeger distributed additional badge requirements to each patrol to work on before the next meeting Wednesday, when the troop will hear from Mrs. William Winner, a native of Australia, on "Obtaining Citizenship in the U.S.A."

Assisting the leader was her daughter, Cadette Scout Melodee Heeger. Troop members present were Lisa Finley, Edith Graf, Dawn Heeger, Leslie Jones, Kathy Lipscomb, Barbara Phillips, Tammy Terrell, Kim Turner, Susan Wafford, Cindy White, Miss Wright and Jackie Biello.

58'ERS CLUB WELCOMES
EIGHT NEW MEMBERS

The 58'ers 4-H club met with its leader, Mrs. Eva Mueller, Thursday evening at St. John's United Church of Christ.

Rondice Wadlow opened the meeting with the flag pledge and Donna Schilling led the

4-H pledge. Mrs. Mueller welcomed new members.

The attendance book was passed for all to sign and each new member stood and introduced herself. They were Carol Kinney, Debra Byrd, Ruth Byrd, Karen Flach, Elana Andrews, Becky Gibbs, Laura Hileman and Anna Brusti.

Election of officers for the new year was held, and those who will serve the club are: Janice Mueller, president; Nancy Hamilos, vice-president; Patty Bade, secretary; and Kim Hunt, treasurer.

The leader distributed project cards which are to be filled out and returned at the next meeting Thursday, Oct. 2. Kim Hunt and Patty Bade led club members in playing games.

Refreshments were served by Mariann Yevin and Jo Ann Kamblitch to those named and Barbara Preston, Peggy Snolich, Janice Hamilos, Mary Mueller, Martha Mueller, Crystal Andrews, Carla Hileman, Christy Lombardi, Brenda Wad-

low and Cheryl Gertsch.

GARDEN CLUB MEETS
WITH MRS. MCKISSICK

The first meeting of the season for the Garden Study club was held Wednesday at the home of Mrs. Delbert McKissick, 2876 Iowa street. She served a dessert luncheon to 15 members and two guests.

The business meeting was conducted by Mrs. Eugene Shore, president. Mrs. Arthur Roman led the members in reading the club collect in unison.

A comprehensive study was given by Mrs. Robert Blankenship on the Jerusalem cherry plant, and Mrs. Bonard Maples read a garden tip, "Foliage at Ground Level."

Roll call was answered by each member giving the name of a garden visited this summer other than those of fellow garden club members.

Those present were Mesdames Abner Branding, C. E. Eads, Rolla Grewell, J. D. Lehman, H. E. Lynch, Marceline Jung, August Theis, S. M. Wilson, E. H. Theis and Clara Winter. Guests were Mrs. Ida Cariss and Mrs. Mildred Bass.

Program for the day was "Making Arrangements Without Fuss." The workshop on arrangements was led by Mrs. Clifford Mang and Mrs. Robert Blankenship.

Members had made flower arrangements at home, and brought them to the meeting to be judged.

The next meeting will be held in the home of Mrs. Don Siegel, 3220 Lakeview drive, Oct. 1. Each member is to bring dried rose leaves for "potpourri."

NEWCOMERS' BRIDGE
FALL SCHEDULE SET

Mrs. Erma Morrow entertained members of the Newcomers bridge group Wednesday night in her home, 1614 Courtney blvd.

The hostess, who is also bridge chairman for the Newcomers club, conducted a brief business meeting. Members decided to meet the first and third Wednesdays of each month, and to schedule couples' bridge sessions for the fourth Saturday night of each month.

Prizes for the evening were

won by Mrs. Phyllis Bills and Mrs. Jean VanMeter.

Refreshments were served to the prize winners and Mesdames Sharon Riestis, Judy Pifer, Barbara Ramsey, Joanna Spencer, Helen Spangler and a guest of the group, Mrs. Carolyn Thornburg.

The next meeting will be on Wednesday, Sept. 17, at the home of Mrs. Sharon Riestis, 2103 Ames avenue. Couples' bridge will be at Mrs. Pifer's home, 2413 Cleveland, Saturday night, Sept. 27.

PRAYER GROUP MEETS
AT HUDSON RESIDENCE

The Mission Prayer Group of First Baptist Church met Wednesday at the home of Mrs. Wilma Hudson, 2140 Grand avenue.

The hostess served a noon luncheon to Mesdames Virginia

Head, Velma Christian, Pauline Harp, Bea Wilder, Iva Olive and Les Willis and special guests, Rev. and Mrs. George Sugen and Mrs. Pearl Thomas.

Rev. Sagen is a former pastor of First Baptist Church. He conducted the services Aug. 31 and Sept. 7 and also officiated at the Wednesday evening services, after which he showed films of missionary work he participated in at Alaska. When the Sagens leave here, they will travel to Ohio to visit the first church at which he was pastor.

Mrs. Thelma Christian offered opening prayer for missionaries. The devotional, on a letter written by superintendents of the Intermediate Sunday school class department, was entitled "How Intermediates Live and Cooperate With the Church."

Mrs. and Mrs. Frederick G. Stephens, 2917 Madison avenue, were visited by their grandson, Christopher W. McMahan, through Wednesday, when he left by plane for the home of his parents in Nyack On-The-Hudson, N. Y. He is the son of Mrs. and Mrs. H. W. McMahan.

Missionaries of the week and their birthdays were read by Mrs. Virginia Head.

The group prepared correspondence to send to a church member serving with the armed forces in Korea, and to five persons who are ill.

Mrs. Lee Willis led closing prayer. The next meeting will be Wednesday at 10 a.m. at the church. There will be a potluck, and the members will observe a "week of prayer for state missions."

Store Manager to Talk

Christ Pashoff, program chairman for Tuesday's noon meeting of the Granite City Rotary club, will have Louis LeWright, manager of the local F. W. Woolworth store, as guest speaker on the "Rise and Growth of the Woolworth Co." Assignments will be given to those who are to assist with the Rotarians' booth at the United Fun Fair on Sept. 27-28 at the Wilson Park ice rink-recreation center.

WHY AREN'T THE SCHOOLS OPEN?

FELLOW TAXPAYERS... THESE ARE THE FACTS!

- 1) Negotiations between the school board and the teachers began January 30, 1969. This early beginning date allowed ample time to settle a contract before the scheduled starting date of the fall semester.
- 2) On August 23rd, after three months recess, the School Board wanted time to study the teachers' proposal made at the May 26th meeting.
- 3) The August 22nd negotiating session lasted 3 hours; 2 hours of which the teachers waited while the board team caucused in another room. On August 23rd, 3 hours of the 4½ hour meeting was spent in the same fashion. The August 24th meeting was 2 hours in length. Only 45 minutes of this time was spent in discussion with the teachers' committee.
- 4) Despite the School Superintendent's statement to the news media on August 26th that the board "had a proposal to settle the dispute" the teacher committee has yet to receive any proposal from the Board of Education.
- 5) The teachers are asking for a starting salary of \$7000 for beginning teachers and a graduated pay scale that reaches \$13,800 for a teacher with many years' experience with a Masters Degree and at least 30 additional hours of college credits. (Collinsville saw fit to pay their teachers a \$14,250 top salary.)
- 6) This salary proposal does not require the district to enlarge the portion of education funds allocated to classroom teachers' salaries.
- 7) The teachers have been and will continue to be available to negotiate . . . this includes "around the clock" negotiating if necessary. The School Board has shown a reluctance to negotiate. This is confirmed by the fact that the teachers received no communication from them over the long Labor Day weekend.
- 8) The teacher position regarding salaries WILL NOT INCREASE LOCAL TAXES. Building new buildings may increase taxes but the teacher salary account has ample money to meet the request.
- 9) Salaries are not the only issues involved.
 - A) Curriculum Planning . . . teachers want a voice in the planning and organization of subject matter taught and in the course content. The teachers feel that they are aware of student needs in curriculum areas.
 - B) Summer School . . . teachers want the summer program to be subject to a contractual agreement with the School Board.
 - C) Length of Contract . . . the School Board insists on a three year contract while the teachers prefer a one year agreement. Few districts in the state have been asked to sign for more than one year.

Fellow taxpayers . . . the teachers of your community made the last contract proposal on Saturday, August 23, 1969. They and the children of Granite City await a meaningful move by the School Board which will expedite the opening of our schools.

MRS. THOMAS MINER. Prior to her wedding at First United Presbyterian Church Friday evening, she was Vilma Zevallos, a daughter of Mr. and Mrs. Constantino Zevallos of Lima, Peru.

Miss Zevallos Bride Of Thomas G. Miner

Miss Vilma Esperanza Zevallos and Thomas Grant Miner were married Friday evening at First Presbyterian Church. Baskets of white summer flowers, greenery and candlelight provided the setting for the 7 o'clock ceremony performed by Rev. David B. Maxton D. D.

The bride is a daughter of Mr. and Mrs. Constantino Zevallos of Lima, Peru. South America. Mr. Miner's parents are Mr. and Mrs. Theodore C. Miner, 46 Terrace Lane.

The bride wore a gown of Spanish influence fashioned of ivory point d'esprit and re-embroidered Alençon lace. A double front bow of peau de soie set off the jeweled necklace, the long sleeves and the Empire waist.

The A-line skirt was formed of graduated tiers edged with Alençon lace and a matching mantilla, which fell to the floor, completed the costume.

An ivory and lace fan entwined with white roses and stephanotis took the place of the traditional bouquet.

Mrs. Dolores Zevallos, a sister-in-law of the bride, was matron of honor and Miss Nancy Halvachs and a Miss Nancy Jo Poison served as bridesmaids.

Lisa Anne Zevallos and Miguel Zevallos, niece and nephew of the bride, were junior bridesmaid and groomsmen.

The bride's attendants were gowned alike in shirtwaist dresses with ivory peau de soie skirts, a d apricot chiffon blouse with long sleeves and Punt collars and cuffs of the peau de soie. They carried brown lace fans decorated with Talisman and Tropicana roses.

Theodore Miner, a brother of the groom was best man, serving with Robert Nebelsick of Belleville and Frank Halvachs of Granite City, groomsmen. Rick Turpenoff and Orville Taylor were ushers.

A program of wedding music was provided by Mrs. June Branding, soloist, who sang "Ave Maria" and "I Love You Truly," accompanied by the organist, Mrs. Isabel Schmidt.

The former Miss Zevallos was given in marriage by her brother, Dr. Hector Zevallos. A reception at the Lewis and Clark restaurant followed the ceremony, and the newlyweds left for a honeymoon in the Ozarks. They will reside at 2137 Pontoon road.

The bride attended St. Teresa's Academy in East St. Louis and graduated from Granite City high school. She is self employed as a hairdresser at Vilma's Coiffures.

The bridegroom attended the Wood River schools and, after graduating from Granite City high school, enrolled at SIU-SW, where he is presently a student.

GOLDEN AGE CLUB WILL MEET AT KIRKPATRICK

The Kirkpatrick Golden Age club will hold a covered dish dinner at noon Tuesday, Sept. 9, in the recreation hall.

The first fall business meeting will take place Tuesday, Sept. 23, at 1:30 p.m., when those having birthdays during the summer are to be honored. Mrs. Glen Christy, president, will be in charge.

Doris Stewart, Robert Strong Exchange Vows

Rev. Kenneth Brand officiated at a 7:30 p.m. wedding ceremony Friday at the Bethel Chapel for Miss Doris Jean Stewart, a daughter of Mr. and Mrs. Orris Stewart, 2449 Bryan avenue, and Robert S. Strong, whose parents, Mr. and Mrs. Robert Strong, live at 2900 Old Mayfield road, Paducah, Ky.

Lighting the candles were Daria and Carol Owens. Escorted down the aisle by her father, the bride wore a white Italian organza full-length gown featuring a lace bodice, with lace motifs repeated on the hemline of the gown and train. Her bridal bouquet was an arrangement of white carnations and roses.

Miss Jacqueline Wright was maid of honor. Bridesmaids were Miss Joyce Shipp and Miss Karen Ismuel.

The honor attendant wore a floor-length dress of light blue chiffon, designed with an Empire waistline and tiny ruffles at the high neckline and edging the sleeves.

Similar gowns, in a darker shade of blue, were selected by the bridesmaids. They carried Colonial bouquets of blue and white carnations and roses.

Little Elizabeth Rice was flower girl in a frock designed to match those of the older attendants. She carried a white lace basket filled with blue and white carnations and roses.

Keith Flaughner was ring bearer. Thomas Strong served his brother as best man, with Larry Shelton and Ronald Kee as groomsmen and Ronald Harri-

son and Jerry Fuller as ushers. Miss Gwendolyn Wright presided over the guest book at the reception, given at the YMCA immediately following the ceremony.

After a wedding trip to Missouri, the newlyweds will live in Granite City.

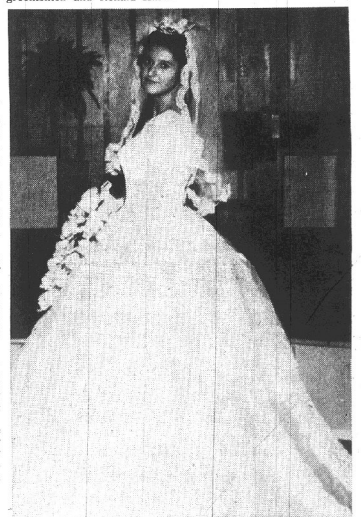

Mrs. Stewart, the bride's mother, chose a Navy blue lace street-length dress for her daughter's wedding, using white accessories, while the groom's mother selected an ensemble in orange with black accessories. The former Miss Stewart is a graduate of Granite City high school and the groom graduated from the Paducah Tilman senior high school. He is now employed at General Steel Industries.

CHARITY CIRCLE HOLDS DINNER MEETING

A carry-in dinner Thursday evening was a highlight of a meeting of the Charity circle of Niedringhaus United Methodist Church at the church.

Hostesses were Mrs. Darrell Piper, Mrs. Elizabeth Briggs, Mrs. Virginia Wolfe and Mrs. Delores Voelger. Mrs. Piper, leader, was in charge and Mrs. Briggs gave the program on "Love." Fourteen were present, including one guest.

Others present were Mesdames Geneva Miller, Ruth Johnston, Regina Jones, Delores Allen, Maryblyouise Niepert, Alice Hunsinger and Kathryn Richardson. Miss Eleanor Waddington and Miss Ella Ray Smith.

MRS. ROBERT STRONG, the former Doris Jean Stewart, who was married Friday evening at Bethel Chapel. Her parents are Mr. and Mrs. Orris Stewart, 2449 Bryan avenue.

Guild Resumes Day Meetings

An all-day meeting of the Afternoon Guild of St. John United Church of Christ was held at the church Thursday. A sewing project for the Hitz Memorial Home in Alhambra occupied the morning hours. A dessert luncheon was served at noon by Mrs. Fannie Willard, chairman, followed by installation of two new officers by Rev. Paul Surbey. They were Mrs. Kathryn Knipping, treasurer, and Mrs. Genevieve McCommis, secretary. Rev. Tom Tupper, co-pastor of Eden United Church of Christ in Edwardville, and a former student pastor of St. John's Church, was guest speaker at the meeting. His topic was "Being."

Mrs. Marie Wille was the devotional leader, discussing "Be the Good News."

A special collection was taken to furnish materials to fill ditty bags to be sent to servicemen in Vietnam, and plans were made to take another collection at the October meeting. An invitation was read to a country and western hoodoo to be given at Concordia Lutheran Church Sept. 25.

A film on drugs will be shown at the October meeting of the Guild, with Mrs. Emma Rolke as chairman.

The meeting closed with a circle of prayer of the least coin led by Mrs. Ellen Ehler. Thirty-two were present, including two guests, Mrs. Frieda Kaufman and David Brewer.

TEAM PICNIC BARBECUE

Schrieber's Wildcatters had a picnic-barbecue Saturday afternoon at the home of their manager Darrell Harbison, 3032 Nameoki drive, to celebrate their victory of the regular season and also the playoffs in the high school girls division of softball at Wilson Park. Girls present were Marsha Van Deusen, Carole Parker,

Phyllis Boshoff, Elaine Wiland, Beverly Wiggins, Carol Schmidt, Martha Wylie, Kathy Murphy, Lois McQuinn, Lois Ridemour, and coaches Delmar Lewis and Gary Bowman. Players unable to attend were Mary Uram and Alice Schrieber, who were vacationing, and Cheri Fuchs, who left for college Friday.

Mr. and Mrs. Robert Pogue and children, Wayne, Brenda, Treasa and Kenny, were weekend guests of his brother and sister-in-law, Mr. and Mrs. Bill Pogue and daughter, Charlotte and Susie, of Cedar Lake, Ind.

SORORITY ALUMNI HOLD 'MOON VOYAGE

Mrs. Kenneth Graham and Mrs. George Louis entertained members of the Alumni chapter of the Phi Tau Omega sorority on a "moon trip" last week at the Rose Bowl.

Floating above the table was a plaster of Paris moon and on the table were miniature moons and candles surrounded with silver stars and moon rock candy.

Prizes were won by Mrs. Delores Rapp, Mrs. Thelma Grisham, Mrs. Helen Hoelscher, Mrs. Rosalie Gabriel and Mrs. Elsie Rodell. Others present were Mrs. Bernice Grzesk, Mrs. LaVerne LaRose, Mrs. Ann Little, Mrs. Mildred Jungels, Mrs. Dorothy Johannsmeier, Mrs. Irene Cook, Mrs. Melba Tarpoff, Miss Irene Hayes and Miss Celestine Lucas of the group and two guests, Mrs. Marie Naeve and Mrs. Marguerite Kennedy.

PATIENCE CIRCLE PLANS BAZAAR

The Patience circle of Niedringhaus United Methodist Church held an afternoon meeting Thursday at the Anchorage recreation center, with Mrs. Esther Langill as hostess.

A dessert course was served before the meeting to Mrs. Dale Carper, Mrs. A. E. Cartwright, Mrs. Ernest Cruise, Mrs. Rolla Grewell, Mrs. John Lehman, Mrs. John Lerch and Miss Elva Miller.

Mrs. Carper, leader, opened the meeting with prayer, and Mrs. Cartwright gave the lesson, "A Dedicated Christian Person." A circle of prayer followed and, during a business discussion, plans were made for the annual bazaar to be held at the church Nov. 21, and for serving refreshments at a WCC meeting Tuesday evening at the church.

Membership Tea Will Be Held

A business meeting and coffee hour of the Officers and Covenanter Wives club was held last week in the Officers club of the Army Depot, with 21 attending. Mrs. David V. Fox and Mrs. William K. Winter served as hostesses for the coffee hour. They used a milkglass compote filled with grape clusters as the centerpiece, with two brightly colored bird figurines from Germany placed at each side. Sweet rolls, brownies, tea and coffee were served prior to the business session. Mrs. Stephen H. Hayes was in charge of the meeting and announced that plans have been completed for a membership tea on Wednesday, Sept. 17, at 1:30 p.m.

WOMEN'S FELLOWSHIP

TOLD OF SEATTLE MEET

The first meeting of the 1968-70 year was held Thursday night by members of the Central Christian Church.

Mrs. Mildred Collins, president, opened the meeting with the CWF prayer. Mrs. Jackie Woodruff, to the group. Mrs. Woodruff and her husband, manager of the Newberry Store, recently moved to Granite City.

Mrs. Frances Craddock gave the lesson on the structure and organization of the Christian Church. She also reported on the attendance by her husband, Pastor Craddock at the General Assembly of the Christian Church, held in Seattle, Wash., in August.

Mrs. Craddock was elected to the General Board of the Christian Church and was also elected to serve on the Administrative Committee of the board. Her terms are for a four-year period.

Rev. Craddock was elected to the National Evangelistic Association of the Christian Church for a two-year term.

Plans for CWF activities to take place during the next month were discussed. These include a dinner on Sept. 15 which the women will serve to a meeting of ministers and their wives. In charge of the kitchen will be Mrs. Mary Lou Lorton and Mrs. Jane Hahn, and the dining room will be operated by Group Five of the CWF, with Mrs. Margaret Rutter as chairman.

The Schwaben Singing Society of St. Louis, a German singing group, will perform at the morning worship service at 10:30 on Sept. 21. A coffee hour will follow the service.

Mrs. Joyce Bennington in charge of arrangements. Plans for the United Fund "Fun Fair" booth which the church will sponsor were discussed, and each member was urged to contribute books, records and home-made cookies and candy for the booth.

Members were reminded of a clothing drive in progress for "victims of recent Gulf storms." It will be shipped free of charge to the stricken area.

A worship service was conducted by Mrs. Lena Seitzer, who then closed the meeting with the CWF closing prayer. Group Two of the CWF was in charge of a social hour following the meeting. Ice cream sodas were served.

LUAU OPENS SEASON OF IOTA PSI CHAPTER

A Hawaiian luau held Wednesday evening at the home of Mrs. Pat Winters, 125 Riviera drive, opened the fall season for the Iota Psi chapter of Beta Sigma Phi sorority.

Serving on the committee responsible for the evening's activities were the hostesses and Mrs. Dorothy Sinovic and Mrs. Marty Herman.

They had made crepe paper flower leis which they presented to each member as she entered the Winters back yard, which was decorated with fish netting, grass skirts, lanterns and other island decorations. Several of the items had been brought home from a trip to the Hawaiian Islands by Mrs. Winters' mother.

The members were appropriately attired in Hawaiian type dresses, and were seated at a floor-level luau table. The menu included pineapples stuffed with chicken salad, and other island foods.

Enjoying the Hawaiian dinner

were Mesdames Pat Takmajian, Jo Ann Macios, Lois Mullen, Joyce Corey, Marilyn Harris, Jo Ann Kaler, Sally Stegelmeyer, Shirley Dietrich, Ursula Lackey, Barbara Painter and Carol Cathey and Miss Jane Davis and those serving on the committee.

Mrs. Painter, president, presided at a business meeting leading a discussion of ideas for the group's annual Christmas charity project. Plans will be completed at a meeting later in the fall. Money necessary for the project will be obtained through a fund-raising activity which the sorority will announce soon.

A "reunion of Iota Psi" was planned for the next meeting on Wednesday, Sept. 17. Invitations will be sent to all past members for the social evening, to be held at the home of Mrs. Herman, 2319 Zippel avenue.

PPC STEVEN JAMES LEAVES FOR VIETNAM

Pfc Steven James, who had been spending a leave with his parents in Granite City, left Thursday for California to embark for Vietnam. His wife, the former Marianne Hahn, is making her home with his parents, Mr. and Mrs. Robert James, 3234 Westchester drive.

He was inducted in March 1969 and received basic training at Fort Bragg, N. C. He was stationed at Fort Holabird, Md., prior to his leave. Two of his service friends who are also being sent to Vietnam were houseguests of Mr. and Mrs. James. They were Pfc Bob Pack of Virginia and Pfc Gary Marino of Pennsylvania. All three are members of an intelligence unit and will report to Lackland Air Force Base before going to Vietnam.

Miss Dixie James, who is employed in Miami, Fla., also was visiting her parents. She had Miss Shelly Eisner, also of Miami, as her guest. They left Wednesday after spending the Labor Day holidays here.

Mr. and Mrs. Robert James are also the parents of Danny, Mark and Kellee, all residing at home.

A farewell barbecue was held in honor of the servicemen, attended by those mentioned and Mr. and Mrs. Arley Borum, maternal grandparents of the James children; Mrs. Ernestine Hahn, Mrs. Steven James' mother, and her children, Katie, Rosie, Bill and Jeff; Mr. and Mrs. George Flech and children, Judy and Marie; Mr. and Mrs. Bill Corrigan; Mr. and Mrs. Bert Lyons and daughter, Kenny, and son, Bert Jr.; Mr. and Mrs. Robert Barkley; Miss Diane McIlvay; Miss Mindy Knapp; and Rodger Underwood.

Also present were Mr. and Mrs. Paul Reeves and their grandchildren, Jeannie and Sherry of East St. Louis, Donald James and children, David and Marilyn, of Davenport, Ia.

Another "happening" at the James residence was the celebration of Kellee James' eighth birthday Wednesday evening. Her parents honored her with a family dinner party attended by Mr. and Mrs. Arley Borum, maternal grandparents of the James children; Mrs. Ernestine Hahn, Mrs. Steven James' mother, and her children, Katie, Rosie, Bill and Jeff; Mr. and Mrs. George Flech and children, Judy and Marie; Mr. and Mrs. Bill Corrigan; Mr. and Mrs. Bert Lyons and daughter, Kenny, and son, Bert Jr.; Mr. and Mrs. Robert Barkley; Miss Diane McIlvay; Miss Mindy Knapp; and Rodger Underwood.

Theme of the party was "Little Bo-Peep," which included a specially decorated cake.

Parents' Committee Plans Fall Schedule

The parents' committee for special education, whose goal is to see that quality special education is provided in the Quad-Cities and whose officers are Mrs. Jean Fisher, Mrs. Melba Grady and Mrs. Barbara Laillement, has agreed to hold monthly meetings at 7 p.m. on each first Tuesday at St. John's United Church of Christ.

Parents or others interested in attending or in learning more about the goals of the committee are being asked to contact Mrs. Laillement at 831-1754.

Skid Causes Crash

Sliding due to rain at 4:35 p.m. Saturday, the car of Robert Hayes, 2865 Logan street, hit the left front of the parked auto of Nellie Dierker, 2015 Illinois avenue, at the latter address.

Facing the federal charges are Hollis Fifer, 19, of 1208 Douglas street, and Freddie Baker, 18, of 107 Weaver street. Allegations against Venice youth, 17, were presented to the Madison county grand jury by Venice police.

Cruising police discovered a large quantity of goods scattered along the highway right-of-way and on the levee near the Merchants Bridge at 6 a.m. Sept. 2. It included baby clothes, cosmetic bags, pipes, beads and other jewelry and women's purses and apparently had been thrown from a freight car.

Police notified the Terminal Railroad Association and the Federal Bureau of Investigation, which joined in an investigation that later led to Fifer's arrest at his home. Venice Police Chief John Essington said two auto loads of merchandise were recovered from Fifer's home.

The officers later arrested Freddie Baker at his home, where authorities said they also recovered a quantity of merchandise from several rooms of the house.

GIRL SCOUT LEADERS BEGIN NEW YEAR

Girl Scout leaders of Neighborhood Three convened for the new scout year with a general meeting and a pot luck dinner Thursday evening in the home of Mrs. Vivian Davis, 2828 Dogwood drive, with the chairman, Mrs. Mary Lockhart, presiding.

Twenty-three leaders enjoyed a covered dish luncheon preceding a business meeting at which committees were formed to carry out the 1969 program.

Mrs. Jo Ann Dix, 2448 Delmar avenue, said a Brownie and Junior Scout workshop scheduled for Sept. 30 has been postponed until Oct. 7. It is to be held at the Dix residence, featuring a song and game period and a crafts program.

Leaders are asked to bring sack lunches. Mrs. Doris Stotz and Mrs. Barbara Blackburn will be in charge of a recognition dinner in October.

The annual neighborhood Christmas party will be held at Camp Lakota Dec. 4, aided by a representative from each school: Marshall, Mrs. Betty Young; Nidringhaus, Miss Linda Poletto; Sacred Heart, Mrs. Toni Steiner; and Webster, Mrs. Mae Lee.

This year's "festival of giving" program will be coordinated by Senior Troop 1177 and its advisors, Mrs. Joan Oram and Mrs. Ruth Hehle.

A report on the 1968-69 term was given by the secretary, Mrs. Velma Collins. Mrs. Oram announced that Senior Scouts are still in charge of a "swap and sell shop" and that adult and scout uniforms are needed; she may be contacted at 2904 Wilson avenue or 877-2804. Mrs. Oram also will serve as the central representative for calendar sales, and all forms and reservations must be in by Oct. 15.

Mrs. Lockhart announced that an arts and crafts demonstration and workshop will be held Oct. 2 under the direction of Mrs. Leola Paschadag. Ronald Ward, an instructor at GCJHS, will teach the course. Reservations and money are to be given to Mrs. Davis by Sept. 20. An open district meeting is scheduled for Sept. 17, with all neighborhood service team members to attend.

Mrs. Virginia Mariette, a member of the board of directors of the River Bluffs Council, explained scouts and leaders' duties for the Sept. 27-28 United Fun Fair at Wilson Park. Volunteers are needed to man information and game booth for District Four; parental support is being stressed.

Mrs. Mary Fyritzko, director of day camp this year at Camp Lakota, gave an evaluation of the three sessions and urged more Junior and Cadette participation in the coming year. The leaders discussed a district trip to GCJHS on Sept. 20.

Mrs. Lockhart resigned the chairmanship due to future obligations, and was presented with a silver bracelet and scout charm from her neighborhood service team. A nominating committee, with a spokesman from each school in the neighborhood, submitted the name of Mrs. Davis to complete the term.

The leaders voted to change the term and general meeting to day time. The next term meeting will be held Sept. 23 at the home of Mrs. Stotz, 2571 Hodges avenue, from 9 a.m. to noon and the general meeting is scheduled for Oct. 2.

Others in attendance were Mesdames Mary Ahlers, Beth Caffrey, Mary Earls, Charlotte Fuller, Helen Grotz, Jo Ann Jarrett, Olivia Kummernann, Helen Santagato and Jackie Watkins and guests, Earl Jarrett and daughter, Ann Marie, and Susan and Carol Davis.

PTA BOARD TOMORROW

Mrs. Annette Scrum, president of the Webster PTA, has announced that an executive board meeting will be held in the home of Principal C. Lee, 2633 East 28th street, at 7:30 p.m. Tuesday to make plans for the new year. All board members are to attend.

CLUB DISCUSSION OF

PICNIC, RUMBLE SALE Mrs. Naomi Love and Mrs. Jackie Schulte reigned as "queens of the week" during a regular meeting of the Will Show 'Em club Thursday evening in the home of Mrs. Esther

Reutzel, 2412 Pontoon road. They received a silver crown and a basket of fresh fruit.

The leader, Mrs. Katherine Smith, called the business session to order, with the group repeating in unison the pledge of allegiance and club pledge. The members joined hands in a friendship circle for singing.

The members responded to roll call with weight losses and gains. Those losing were presented with artificial flowers by the club.

The leader introduced two visitors, Mrs. Karen Cooper and Mrs. Phyllis Indelcato, and announced that Miss Love was queen for August. Miss Love was queen for August. Miss Love was queen for August.

Mrs. Sheila Stich gave a report on club activities and goals and a final arrangement were made for a rummage sale Sept. 20 at Schermer Brothers in Madison. A family pot luck picnic will be held Sept. 13 at the home of Mrs. LaVerne Corbitt in Collinsville.

NEIGHBORHOOD TWO LEADERS ORGANIZE

A pot luck dinner began the new scout year for Neighborhood Two Girl Scout leaders Thursday afternoon at the Lincoln Place Community Center, with 15 members participating.

The table appointments utilized an autumn theme, with sprays and flower centerpieces arranged under the directorship of Mrs. Norma Walton. Mrs. Doris Wood, chairman, presided over a business session following the program Dec. 14 at St. Joseph's school and announced that a neighborhood Brownie hike will be conducted Oct. 4 from 10 a.m. to 2 p.m.

The troops will assemble at St. Joseph school and hike to Wilson Park Shelter Five for lunch and recreation. A Junior Scout hike has been scheduled for Oct. 11 from 9 a.m. to 3 p.m. from Logan school to the canal locks for a tour. Scouts are asked to bring sack lunches; drinks will be provided by the leaders.

Mrs. Mildred Profit and Mrs. Pat Blackwell will be in charge of the November project, tray favors for The Colonades nursing home.

Mrs. Pat Rigney, Mrs. Margaret Barton, Mrs. Gloria Wolford, Mrs. Jean Edwards and Mrs. Wood will supervise the annual "festival of giving" program Dec. 14 at St. Joseph's from 3 to 6 p.m. The scouts will decorate and fill a basket with canned goods and staples to be donated to a local charity organization for distribution.

Other leaders present were Mesdames Rosemary Ortiz, Elmer Gafford, Yvonne Ambush, Jackie Rice, Pat Dowdy, Loretta Conley, Molly Woodard and Anna Rainwater.

FIDELIS CLASS CONDUCTS ELECTION

The Fidelis Class of the Second Baptist Church met Thursday evening in the home of the teacher, Mrs. Delores Ayres, Rural Route One.

Mrs. Wilma Gillham opened the meeting with prayer. During the business meeting, an election of officers for the coming year was held. After the meeting, the class watched Billy Graham on television.

Mrs. Ayres served refreshments to Mesdames Myra Harper, Louise Mitchell, Ruby Groter, Cora E. Miller, Minnie Cavins and two guests, Mrs. Florence Paul and Mrs. Wilma Gillham.

Achievement Award To Richard Harper

Army Specialist-four Richard W. Harper, 21, son of Mr. and Mrs. Earl D. Harper, 2547 Morrison road, was awarded a certificate of achievement Aug. 7 while serving with the 11th Transportation Battalion near Cat Lai, Vietnam.

He earned the award for meritorious service as an engineer in the battalion's 1069th Transportation Co. His wife, Rilla, lives in Island, Ky.

Heavy Rain Hits Area; Total 1.33 Inches

Heavy rainfall that hit the Quad-City area Saturday afternoon and Sunday morning measured 1.33 inches for the 24-hour period to 8 a.m. yesterday, and increased to 2.55 inches the total rainfall during the first seven days of the month.

Rain gauge readings at the Chain of Rocks canal, where weather records are maintained for the U. S. Army Corps of Engineers, show .46 inch last Tuesday, .50 inch last Thursday, .36 inch on Friday and the 1.33 inches reading yesterday morning.

Thus the total rainfall so far this month is only 2.1 of an inch below the normal fall of 2.76 for the entire month of September.

High gusting winds that accompanied the Saturday afternoon rain blew down the large tent used by the General Baptist Union of America at 2033 Johnson road about 3 p.m. The tent was repaired Sunday and placed back in use for Sunday night services.

There were no other reports of storm damage.

1000 View Juvenile Home at Open House

About 1000 persons attended the open house at the new Madison county juvenile detention home Sunday in Edwardsville.

The home began accepting youngsters today, and hearings in the juvenile courtroom at the detention center also started today, with Circuit Judge William Beatty on the bench.

Man Beaten at Tavern

Gail Phelps, 40, of 1704 Cleveland blvd., described as merely a bystander to an argument, was struck in the head with a large jar of sausages and then beaten with a bar stool at 1 a.m. Saturday at the Home of the Blues tavern, being taken to St. Elizabeth Hospital. Roger Wallace, 21, of 2801 Warren avenue was charged with aggravated battery, intoxication and a parking violation.

Evangelical Services

Rev. David E. Mills of Fort Edwards, N. Y., will conduct an evangelistic crusade at the Church of God, 2301 Orville avenue at Vine avenue, from Tuesday, Sept. 9, through Sept. 21, nightly at 7:30.

ALL THE TEACHERS WANT IS A DECENT PAY LEVEL

To the Editor:

This is an open letter in reply to a Sept. 2 letter which puzzles me greatly, and leaves me with a great sense of bewilderment. How a resident of this community could make such a statement against our teachers is truly shocking.

A few questions, please: What young adult of high school age will look at what teacher and see a person who has taught him to bend the law, skirt the law, or ignore the law? This is untrue.

The letter states that we will have a strike next year, and the next. Our teachers are not on a strike.

Facias, let's have the facts. How will all unions and union men be downgraded by the current teachers' salary? Are the honorable fundamentals of trade unionism?

He states that as taxpayers, parents, should support the administration in its efforts to keep teaching an honorable profession. Does he mean by this that we should keep wages at a low level, so we can keep them honest?

Now for a bit of advice for him. Please remember this: you can't pay enough for the amount of dedication our teachers have given to the young people of this community. All they want is a decent living wage.

I know teachers in this city who have, with their own money, bought clothes and shoes for the underprivileged children in their classes.

I know teachers who have brought hot food to the homes of children in their classes.

Why not write a letter to the editor about them? What has anyone to gain by writing that kind of letter against our teachers?

Wake up. It's not in the ninth inning, as they say, the ball game is over. Let's wake up and appreciate our fine teachers while we still have them.

SCHOOL DELAY AFFECTS FUTURE OF EACH PUPIL

To the Editor:

We kids of school age living on Wabash Avenue, are shocked by the teachers' actions.

If they don't get this settled soon, it could affect our whole lives.

By keeping us back one year, it would put us behind all the kids our age around the United States.

Think of the guys. As soon as they graduate, they will be 18 or even 19, and the draft will snatch them as soon as they want.

What kind of lives will we have?

What about our education? We care—do they?

They got their education. Now, please let us have ours.

GREEDY, UNREASONABLE TEACHER PAY REQUEST

To the Editor:

This is just to advise the school board that we are behind them one hundred percent. Our teachers are just being obstinate and greedy.

I am well aware of the fact that they had to pay for their education and are now having to make a substantial living, but what in the world do they want?

It seems to me the new salary is very substantial for a professional person.

I have heard more than a few people make the statement that they were in sympathy with the teachers but are now just plain disgusted.

My husband has worked 14 years, all year long, and doesn't make \$10,000 a year.

These teachers, by their selfish, bickering and unreasonable demands, are making parents lose respect and admiration for them.

If the school board buckles under to them, we will be going through this again the next school term. Come on, parents, get your head from under the MATRER, DISILLUSIONED MOTHER AND FATHER

HOW ABOUT A YEARLY SALARY OF \$30,800?

To the Editor:

In the current comical controversy between school teachers and school board.

Many years have gone racing by since I was burdened for 12 years by the look of the young people involved in this drive-a-bargain deadlock between the Granite City School Board and the Board of Education.

It has occurred to a great many of my friends, myself,

stiers with eyes in the backs of their heads.

It was the consensus among the brilliant scholars in my class that if these teachers were paid in excess of \$30,800 per annum, they were grossly overpaid.

The teachers were constantly asking questions. I don't know whether we gave them the right answers, but the teachers did not know the right answers, anyway, or they would not have asked the questions in the first place. Right?

In my great charity, I will have to agree that the things we were good things to know. Reading, writing, and arithmetic. Quite valuable, actually.

But high school is almost a total waste. What did I learn in high school that was worth anything to you later on?

Spanish? I studied Spanish and was rather fluent and loquacious with it. It was my way of learning to know. Spanish teacher was a lady who knew no language at all except broken-down German.

A knowledge of Spanish is so totally useless that I forgot it completely two weeks after graduation. I mean, today, two words of Spanish: "Bon voyage, Madam."

Physic? We had a physics teacher who would clean his glasses and ask questions like "What is the speed of sound?"

Who cared what the speed of sound is? Sound will get to you sooner or later—usually sooner than desired.

Typing? Well, maybe typing is a good thing to know. The only thing I remember from high school is how to work a typewriter.

I made straight "A's" in high school. My father was superintendent of schools, and the teachers in their classes were nervous, and fuzzy-thinking way, thought they would be fired if they did not give me top marks.

I heard about one teacher who went nuts studying for a master's degree. How would you like to have a balmy teacher with a master's degree coaching your angel child?

If I was a high school teacher I would, in self-respect, dignity and plain honesty, get into some other trade. I would resign and become a paperhanger or a bricklayer. Or maybe I'd take out a liquor license and run a pub.

I graciously invite the learned colleagues for this school teachers' union, to appear before me and show cause why I should change my original and continuing estimate of school teachers.

Well, it's getting a bit late, mate, so I reckon I will smoke a fine marijuana and suck in for the night.

RIDICULOUS TO REVERSE EMPLOYEE, BOARD ROLES

To the Editor:

I concur 100% with the views expressed in the Forum by 2 teachers Seeking to Control GC Schools.

It is apparent that the teachers' negotiating committee is finding it very difficult to come up with good reasons for not negotiating.

Their past actions of refusing to negotiate during the summer and now during the school year, a new set of "negotiating rules" clearly indicate that they are not interested in the school children and taxpayers as they continue to say they are.

On the other hand, the school board's position is without fallacy with respect to good faith and fairness.

Based on their financial reports, it appears that they are offering as much as they possibly can without going into debt, thus preventing us from being in the same category with most school districts, which is deficit financing.

With respect to allowing the teachers to control the school operations, nothing more ridiculous, in my view.

When we reach the point where employees begin to tell managers how to run their business; then there is no business.

I fully support the current approach of the school board and believe they should not give in but take whatever action is necessary to prevent the teachers' negotiating team from being successful in what is clearly not in the best interest of the children, the taxpayers and the community.

Time for a Change In the Efforts To Get Schools Back Into Operation

Although there is always hope of a settlement, negotiations for teachers and the Granite City schools seem to be in an impasse that could continue almost indefinitely. Despite a resumption of bargaining talks last week, they remain more than \$400,000 apart, both sides told the public Friday night. No further talks are scheduled.

School officials cited comparisons to show that proposed salaries here are generally well above those in East St. Louis, Collinsville and Belleville, and the board is convinced that its offer is fully competitive, a necessity in order to attract a teaching staff.

The amount of raises over last year involves a vast sum of money, made possible largely by gains in state tax aid.

A board member cited taxpayer pressure to reduce school property taxes to partly offset the increase in state taxation. Whether this will be possible is not certain, but it underscores the fact that increased revenue cannot merely be divided in exact percentages according to past expenditures; a constant review of income and costs is required.

The meeting with PTA officials also brought out that two different parties can read the same set of financial records and reach different conclusions. If we had to bet on it, we would put our money on those who live with the records from day to day rather than someone normally unfamiliar with them. School administrators here haven't been caught in any fabrications yet during school union talks which date back more than a dozen years.

What everyone is agreed upon is that no easy answer presents itself. The two bargaining groups are still far apart financially, and the union said Friday it will make no further reductions in its salary request.

What may be called for at this point is a dramatic change in the way the week-by-week school postponements which have kept students, employees and parents close to this community but not really able to devote the time to useful purposes. Perhaps the best way to do this is to schedule the start of the term for Jan. 2, leaving the entire remainder of 1969 to conduct and complete the negotiations that ought to have been held during the summer.

This would necessitate state law changes, which could be sought the next time the legislature meets, tentatively set for October. Legislation is long overdue, anyway, to give school systems greater scheduling flexibility without facing penalties in lost or reduced state aid.

Local residents pay at least their share of the taxes forwarded to and distributed from Springfield, and they would have a right to innovative improvements, such as the efficient and economical quarter system in year-round operation at SIU-SW for the past several years.

It works well and is clearly a better idea, as convinced that it could be adapted to the public schools without inconveniencing anyone, bringing significant educational upgrading and many other advantages.

A Jan. 2 start also would give administrators ample time to increase average class size, and adjust faculty assignments accordingly. While keeping the local class size well below the national average, they could lay off more than

After all, we parents supply the most important thing—children.

Isn't there some way to make our position known?

TEACHERS' DEMANDS CALLED UNREASONABLE

The enclosed newspaper clipping was taken from a Sept. 2 St. Louis paper, listing average weekly clerical and data processing salaries from a survey by the Administrative Management Society.

It lists the highest salary listed, with exception of the last three, is \$300 per week or annual \$8,400.

100 teachers and reduce costs by more than \$1 million annually.

The time may have come for a complete departure from the approach that has been taken until now. Certainly, the methods used have been insufficient in terms of getting classes started.

Students, including a surprisingly large number who are eager to return to school, are the most affected but have no voice in the deliberations. For their sake, we think everybody ought to decide that "it's time for a change" and try something not only different but potentially better.

Death of Senator Dirksen a Great Loss to Illinois and the Nation

Illinois, America and the world yesterday lost a great and beloved legislator, Everett McKinley Dirksen, U. S. Senate minority leader for the past ten years. A resident of Pekin, he served in Congress from 1932 to 1948 and was in the Senate continuously since 1950, having been elected to a fourth six-year term last year.

Noted for his unruly hair, his resonant voice, his propensity for complex words and phrases and his brilliant intellect, he was able in recent years to sell more recordings than most of the currently popular musical artists. His readings, characteristically, dealt with the virtues of the nation and the people.

Thoughts go back to his visits to the Quad-Cities, including a major address which packed the Granite City high school cafeteria building several years ago. He had many friends here, and always tried to take time from his heavy responsibilities to greet Illinoisians visiting the Senate.

He made frequent return visits to this state and ably represented its interests as well as putting national needs above partisanship in his leadership.

Four presidents found occasions to praise his skill and dedication as the leader of Senate Republicans, who have been steadily growing in number.

Condemned by some people for his flexibility, he accurately saw politics as the art of honorable compromise and also correctly reserved the right to change his mind when new facts became available. His immense influence and effectiveness attested to the soundness of his approach.

His belief that "this is the greatest country on the face of the earth at any time in recorded history" provided continuity throughout his long public life. There is no disrespect for our native son, Ralph T. Smith, and other possible successors in saying that Everett Dirksen can never really be replaced.

Full Turnout Vital in Mitchell Area Incorporation Vote Tuesday

It is tempting to take a strong stand regarding the latest Mitchell area incorporation election, but we imagine those who will be affected have been giving the subject much thought, and we think they will use sound judgment in reaching a decision.

The old rallying cry of forming a village before being "gobbled up" by some other municipality has lost its punch. Present cities and villages have so many problems of their own that few are thinking in terms of major territorial expansion.

The biggest point in favor of incorporation has become the increasing state diversion of funds to municipalities. Voters will need to weigh this against the additional property taxes likely to be required in order for a significant level of public services to be provided.

A disturbing aspect of the current drive for incorporation is that it involves about the same set of proponents as in 1968, but with bountiful new money available to cause some more active opponents. The latter assume that, once formed, the Chain of Rocks village would then seek to annex remaining sections of Mitchell.

Also worthy of note is that absolutely no public meetings have been held to explore the advantages and disadvantages. This kind of incorporation campaign has to cause some apprehension, as do the continuing hints of threats of force against the foes.

Only if there is a full turnout there assurance that the public's wishes will prevail. We urge all who are eligible to vote tomorrow.

A 32-week period and the result is \$131.75 per week.

Also keep in mind the \$131.75 is starting salary for the teachers. The \$130.00 per week for clerical help is no doubt after many years on the job; I say this after thirty years working in that capacity.

I've paid taxes for more than forty years and always, heretofore, considered the school tax as an investment in better citizenry for the pupils. Now, I wonder.

Thanks to the "Teachers' Seeking to Control GC Schools" letter in the Sept. 2 Forum for giving the public the actual facts of the teachers' plotting and planning.

The workers, as listed in the item, pay the same price for food, clothing and shelter as the school teacher.

Generation Gap Due to Rapid Change In Communication, Technical Skills

(American Association for the Advancement of Science)

"As long as any adult thinks that he, like the parents and teachers of old, can become inoperative and involve his own youth to understand the youth before him, he is lost," says anthropologist Margaret Mead in an editorial in "Science."

All of us who grew up before the war are immigrants in time, immigrants from an earlier world, living in an age essentially different from anything we knew before, according to Dr. Mead.

She will hold the seats of power and command the resources and the skills which have been used in the past to keep order and organize large societies. We control the educational systems; the apprenticeship system is firmly established in the mind of both the young and the old.

But all is not lost, for Dr. Mead believes that communication between the generations can be established again when the fact of a deep, new, unprecedented, world-wide generation gap is firmly established in the mind of both the young and the old.

Beauticians, Plumbers, Defectives, Doctors Have Something in Common

(Tri-City and Illinois Bar Associations)

What do horsehooshers, social workers, plumbers, land surveyors, beauticians, private detectives, chiropractors, tree experts and doctors all have in common? Two things.

One, prospective practitioners of all these fields are affected by a series of 27 bills passed by the 1968 legislature. Two, all these laws that affect them on the books for some time, all have to be examined and licensed by the Illinois Department of Registration and Education before they can practice their profession or trade.

The new laws provide that persons entering 27 different fields take the required examination for a license or certificate of registration within three years of making an application or else forfeit the fee which accompanied the application. Previously, for the most part there was no time limit.

The fees that may be forfeited range from \$5 to become a registered apprentice beauty culturist to \$100 to become a private detective. The examination fee for doctors is \$25. The fee is \$50 for ten professions and trades, ranging from chiropractic (treatment of foot ailments) to plumbing.

State law specifies the amount and type of education and training an applicant must have to meet the requirements of the law. The fee is \$50 for ten professions and trades, ranging from chiropractic (treatment of foot ailments) to plumbing.

Many cases, an apprenticeship or internship or minimum number of years of experience is required. Often the law also stipulates the type of questions that must be asked on the examinations to prove that an applicant is competent in his specialty.

A physical therapist needs to be only 20. A registered barber can be as young as 19½, and 18-year-olds can be registered nurses or licensed practical nurses or certified shorthand reporters.

A 17-year-old can be a registered apprentice barber and a 16-year-old can be a registered beauty culturist.

A person must be a U. S. citizen, at least have applied for citizenship before he can be a licensed or registered practitioner of most of these professions and trades.

However, a registered professional or licensed practical nurse doesn't have to meet the citizenship requirement. An applicant takes an oath stating that while in the United States she "will remain loyal to the Constitution of the United States and not affiliate with any organization which advocates the overthrow of the government of the United States by force or violence."

There is one final requirement in most cases: An applicant must be of "good moral character and temperate habits."

Moderate Growth in Service Field

(Granite City Long-Range Plan)

From 1954 to 1958, the number of selected service establishments increased by approximately 40% in Granite City, increasing from 150 to 212.

The rate of change was greater than the surrounding communities, the county and the state with the exception of Collinsville (42.8%). Altamont saw an increase of 11%, Wood River 21%, Granite City 24.9% and Illinois 17.5%.

However, the rate of growth among service establishments during the period of 1958-63 was among the lowest of the surrounding communities and well below the rate of change for the county.

The local advance was 11.7% to 248 selected service establishments, compared to a 3.7% gain in 1958-63 for Wood River, 51.8% Collinsville, 10.4% Altamont, 37.7% county and 12.4% state.

The selected service receipts increased by two-fifths between 1954-63, substantially above the state but somewhat below the county.

Comparisons of receipts in 1954-58 and 1958-63 show increases of 31.4% and 41.8% in Granite City, 4% and 21.8% in Altamont, 36% and 48% in Collinsville, 26.6% and 75.5% in Wood River, 19% and 48.9% in the county and 30.9% and 28.1% in Illinois.

The local advance was from \$2,506,000 in 1954 to \$4,338,000 in 1963, compared to \$1,791,000 in 1954 to \$2,223,000 in 1963, or a 22.2% increase.

Considering the fact that the total sales between 1954 and 1958 in Granite City was greater than in Madison county, it can be stated that Granite City is a much better in the service sector, according to the Granite City Central Business District Study of 1966.

The volume of wholesaling represented a substantial segment of the Granite City business sector.

Sales per wholesaling establishment were significantly higher than the surrounding communities and the county, and the total sales had increased by almost 50% since 1958.

The wholesale sales here rose from \$1,942,000 in 1954 to \$2,942,000 in 1963, with Madison county experiencing an increase from \$108 million to \$139 million and Illinois from \$2.3 billion to \$2.9 billion.

Although the sales increased significantly in Granite City, the number of establishments increased slightly, from 21 to 25.

The increase in wholesaling activities within the state during this period was considered to be only moderate.

Next: Central business district.

Page's Office Discontinues 'Welfare Fund'

The office of Ray Page, Illinois' superintendent of public instruction, has discontinued a controversial "welfare fund" into which about 65% of Page's employees annually contributed about \$32,000.

Discontinuation of the fund effective Sept. 1 was decided upon by a policy committee in a meeting which Page did not attend, a spokesman for Page said Thursday.

The fund became a point of controversy last month after a 62-year-old Page employee said she was fired because she refused to contribute 1% of her annual salary to the fund.

Page has maintained that employees were not required to contribute.

Verne E. Crackel, Page's deputy superintendent, said money in the fund will be shifted to the Ray Page Campaign Fund after all commitments from the fund are made.

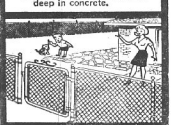

He said the fund was used "for emergencies such as sending flowers in case of death."

Whenever there was a surplus, Crackel said, "the money went into his campaign fund."

On one particular day last winter we had 3 requests within 30 minutes from mothers whose children had taken overdoses of prescriptions. The Doctor told them to get a Poison Control Kit but they were unable to get one because the father had the family car at work. Within the hour all three families had Poison Control Kits delivered to their homes. This is just another one of the many services you get at

WITHOUT THIS A FIRE ENGINE IS JUST A BIG RED TRUCK.

Your water system is designed with fire protection in mind. Strategically placed fire hydrants, water mains 3-5 times larger than would be necessary to supply ordinary water needs, standby pumps, hydrant inspection teams... everything we can possibly do to provide fire protection. Helps keep fire insurance rates down, too.

Without a good water system like ours to depend on and dedicated firemen to answer your call, your fire department would be just a garage. For big red trucks.

\$185,350 Values For Construction In Two Townships

Fourteen building permits listing values totaling \$185,350 were issued during August for new construction in Nameoki and Chouteau townships.

The totals included 11 permits at \$179,800 in Nameoki township and three at \$3550 in Chouteau township.

Obtaining permits for homes were Truman Coggin, a brick in Wellington Heights, \$25,000; Charles Moutel, two bricks in Parkview Estates, \$20,000 each; Emmet Porter, brick in Arlington Heights, \$25,000; Jim Watts, brick in Dream Villa No. 5, \$23,000; Woodrow Stinson, 213 Harrison street, a frame, \$10,000; and Wilshire Manor Inc., a brick with aluminum siding in Wilshire Manor, \$14,000.

Permits for other purposes in Nameoki township were issued to E. C. Barnhart Construction Co., a brick office building in Northland Estates No. 2, \$25,500; William DeLaney, an automatic sprinkler system, \$18,000; Robert M. Flinn, 4748 Warnock avenue, new siding and shingles, \$300; and Frank Webb, replace back and front porches in Bellmore place, \$1000.

Permits in Chouteau township were obtained by Elmer Johnston, a mobile home in Chouteau place, \$1500; Southwest Market Association, a Morgan portable building, \$3700; and Lloyd Wilson, replace a garage in the Brooks subdivision, \$500.

A permit to raze a frame dwelling at a cost of \$1900 was issued to Atlas Paving Co. in Nameoki township.

Gary Golden Select Name for Infant Son

Gary Lee Golden jr. is the name selected by Mr. and Mrs. Golden sr., 2820 East 24th street, for their eight pound, 11-ounce son born Sept. 2 at St. Elizabeth Hospital.

Mrs. Golden is the former Marie Williams, a daughter of times larger than would be necessary to supply ordinary water needs, standby pumps, hydrant inspection teams... everything we can possibly do to provide fire protection. Helps keep fire insurance rates down, too.

Without a good water system like ours to depend on and dedicated firemen to answer your call, your fire department would be just a garage. For big red trucks.

Bernard Named to Post With American Steel

Richard A. Bernard has been named assistant director of industrial relations for American Steel Foundries, Chicago-based operating unit of Amsted Industries. He succeeds B. A. Hindmarch, who is retiring early to accept a faculty position at Purdue University.

The appointment was announced Thursday by L. E. Dorman, ASF director of industrial relations. Dorman also announced two other promotions at ASF's Chicago headquarters.

Therefore D. Cable has been appointed manager of employee relations and benefits and John E. Erhart has been named supervisor of employee benefits. American Steel Foundries is a major manufacturer of castings and forgings for railroad and general industrial use. The company also produces brakes for railroad and rapid transit cars, springs for railroad cars and farmmoving equipment, and plans and bushings. Its plants are located at Alliance, O., East Chicago and Hammond, Ind., and Granite City, including ASF operations, Amsted has 39 plants in 16 states and Canada.

County Schools To Get State Aid Of \$20,622,173

Madison county schools will receive a total of \$20,622,173 in state aid during the 1969-70 school year, compared to \$12,783,217 last year, according to the office of Ray Page, state superintendent of public instruction.

Nearly \$100 million will be paid to Illinois schools this year. The payment is based on the new \$520 foundation level and covers a two-month period of July and August. The monthly payments amount to \$18,630,593.

State aid for all of the public schools districts will total \$83,571,570, compared to \$333,899,089 last year, a 64.9% increase.

Granite City PRESS-RECORD
Mon., Sept. 8, 1969 Page 17

Payments will be made each month over a 12-month period and are based on the average daily attendance submitted by school districts at the close of school last June.

A. R. Evans, assistant superintendent, said that schools which qualify to for supplementary claims will have state aid claims adjusted beginning in January.

It is estimated that state support for schools will be about 25% of district revenue this year, an increase over the 24% last year.

Page said he hopes the general state aid for schools will reach 45% in the near future. State support in 1963 was 19%. The foundation level was raised to \$300 in 1965, to \$400 in 1967 and to \$520 this year.

Five Radar Arrests

Five drivers were arrested as a radar unit on various streets Thursday and Friday. They were Floyd M. Crane, 2041 State street; John N. Decker, 1720 State street; John W. Aperson, 132 Briardale; Charles L. Gardner, Edwardsville, and Gerald G. Reed, 2215 Bern avenue.

Dock Pile Clusters Proposed at GC Port

The Bulk Service Corp. Dock, Tri-City Regional Port District, Granite City, has applied for a permit to construct two pile clusters on the left bank of the Mississippi River channel at the Chain of Rocks Canal west of Granite City.

Parking Lot Accident

An auto driven by Louis A. Morgan, 2662 Lincoln avenue, backed into the right rear door of a car driven by Dolores E. Harizal, 2509 Delmar avenue, at 6:15 p.m. Thursday on the parking lot of the Tri-City Grocery store, 19th street and Cleveland blvd.

The application for the work has been received by the Illinois Division of Waterways. Persons either favoring or opposing the proposed construction may write to John C. Guillo, Chief Waterway Engineer, 201 West Monroe street, Springfield, Ill., 62706, by Friday, Sept. 12.

Granite City Facing Half-Million Deficit

A deficit of from \$500,000 to \$600,000 in Granite City funds by the end of the current fiscal year is indicated by the city's new 1969-70 tax levy adopted by city council members last week.

The new record-high tax levy, calling for a total of \$3,309,720, is an increase of \$1,044,631 over the 1968-69 total of \$2,265,089. While the total levy figure is a 42% increase over that of last year, it does not accurately represent the amount of taxes to be extended for the various city funds since the levy figure for each fund item is identical to that of the appropriation.

Tax rates that may be extended by a municipality for various fund accounts are limited by statute. Regardless of how high a tax levy may be, the amount of tax income still is limited to only that amount of taxes provided by maximum allowable rates applied against the assessed valuation.

Fire Rate Limited
For example, Granite City's fire protection budget this year calls for expenditures of \$449,280. The same figure is extended in the tax levy.

The city, however, has a maximum tax rate of 10 cents per \$100 assessed valuation for fire protection purposes, which means that the city will receive about \$165,000 in taxes, regardless of the fact that the tax levy figure faces the required tax at the \$449,280 figure.

This is true of any municipal accounts for which tax rates are established by law. As a result, the city receives only a portion of the income needed for operational costs from direct taxation. The remainder comes from other sources to supplement the tax accounts.

On the basis of these estimates set by finance officials, the city can look forward to total income of about \$2,264,604. At the same time, however, officials admit that actual expenditures, if held to a bare minimum in a concerted effort toward economy, should approximate about \$3.1 million, exclusive of the library fund.

This presents the potential deficit ranging between \$500,000 and \$800,000 depending upon the extent of actual expenditures during the year.

The city's new tax levy bill includes \$918,629 in general fund items, including: legislative department, \$64,974; executive, \$23,152; finance and accounting, \$38,912; treasurer's office, \$20,368; legal, \$29,620; city planning, \$724; air pollution, \$14,000; pumping station, \$20,000; contingent, \$20,000; contingent, \$20,000; city hall fund, \$30,875; humane department, \$14,335; inspections, \$33,338; various city improvements, \$113,331.

Engineering services, \$15,000; traffic engineer, \$5,000; Police department, \$467,502.

Amounts levied for special accounts include: Water hydrant rental, \$25,000; street lighting, \$80,000; insurance and judgments, \$69,000; fire protection, \$449,280; street department, \$341,300; Municipal Retirement fund, \$60,000; sanitation department, \$107,000; department of sewers, \$826,000; civil defense, \$12,830; school crossing guards, \$27,342; fire pension fund, \$35,000; police pension fund, \$55,000; auditing, \$2,500; and public library, \$189,423.

Motorcycle Lights to Operate at All Times

All motorcycles in Illinois hereafter must operate their vehicles with the headlights on at all times.

The amendment to state traffic regulations, Senate Bill 10, has been signed into law by Gov. Richard B. Ogilvie.

Sen. Edward M. McBroome of Kankakee was chief sponsor of the bill. The amended law states that all motorcycles shall "at all times" exhibit at least one white headlight visible for "at least 500 feet in the direction the motorcycle is proceeding."

Sen. McBroome says, "The legislation was needed as a safety precaution for the good of the motorists, as well as for the safety of others using our streets and highways. The measure was passed without opposition."

Venice Sets Exams for Police Appointments

The Venice Board of Police Commissioners will conduct written examinations for applicants as probationary patrolmen on the police force at 7:30 p.m. Sept. 23, it was announced today.

Applicants interested in learning qualifications for the post or other details concerning the examinations may contact Eugene Elgan, 1269 Klein street, Venice, secretary of the police board.

Recognition Dinner Planned for Vadalabene

A dinner honoring State Rep. Vadalabene of Edwardsville will be held at 7:30 p.m. Sept. 25 at SIU-SW. State officials expected to attend are Lt. Gov. Paul Simon, State Auditor Michael J. Howlett, Secretary of State Paul Powell and Treasurer Adlai Stevenson.

Tickets at \$10 are available from Miss Eulalia Hotz, county clerk, Vadalabene, now in his second term in the General Assembly, was named one of seven outstanding freshman legislators in his first term when he had a 100% attendance record.

JAMES E. SWIFT
Swift Assistant to Ill. Power Manager

James E. Swift has been promoted by Illinois Power Co. to assistant to the manager of the company's Granite City service area, Carl E. Mathias, service area manager, announced today.

Swift succeeds Keith R. Tobey, who was recently named manager of the Wood River district, a part of the Granite City service area.

Since 1964, Swift has been an industrial sales engineer for Illinois Power. He joined the company in January 1956, worked a few months and then entered the Army for two years.

After returning to Illinois Power in 1958, he worked in construction, in gas underground storage and in engineering, as well as in industrial sales.

Swift is a 1952 graduate of Decatur high school and received his bachelor of science degree in civil engineering from the University of Illinois in 1956.

Swift and his wife, Judith, have two children, James, four, and Jane, two.

He assumed his new responsibilities today.

September Meeting of Parent Group Tonight

Parents Without Partners, Illinois Chapter 91, will hold a monthly meeting at 8 p.m. today at the VFW Post 5091, 1234 Vandalla street, Collinsville. The hall is located across the street from Collinsville high school and is reached via Business Route 40 and State Route 150.

Single parents (widowed, separated or divorced, with custody or with visitation rights of their children), are invited to attend and learn of help they and their children may receive through the programs of professional speakers and other activities of the chapter.

Literature about the organization may be obtained by writing: Eastside Illinois Chapter 91, P.O. Box 711, East St. Louis, or by calling 397-0568.

Parents Without Partners is a national and international non-profit, non-sectarian, educational organization devoted to the welfare and interests of single parents and their children.

18 Service Clubs to Open 'Charity Days'

Eighteen service organizations will take part in this year's "Charity Days Festival" Thursday, Friday and Saturday in the carpool sidewalk area at Namekiki Village shopping center.

Response to the project has grown each year since the idea originated five summers ago, James Henderson of Luaders Agency, coordinator of the festival, said this week. He noted that all available booth space is filled.

Again this September, the charity days program will be given under the auspices of business firms located in the shopping center.

Areas are set aside for participating service groups, at no cost to them, with the clubs offering an assortment of items for sale to the public. Proceeds derived from the three-day event are retained by the organizations and used to support charitable enterprises.

Booths will be open between 11 a.m. and 8:30 p.m. on the three days.

Participating groups include: Quad-City Navy Mothers, Unit 850; Gabriel Shrine 78, White Shrine of Jerusalem; and Church of the Latter Day Saints, Maryville school PTA, Sons of the American Legion, Fleet Reserve Association, Cloverleaf Garden club, Easter Seal Society.

Mexican Honorary Commission of Granite City, Salvation Army Home League, Briardale Pentecostal Church, Tri-City American Legion Auxiliary 115, Granite City Business and Professional Women.

Madison County Historical Society, Marshall PTA, Women of the Month Chapter 247, Granite City Republican Women's club and the Newcomers club.

Leaving Scene Charge

James R. Simpson, 4127 Breckenridge lane, was charged at 3:45 p.m. Thursday with leaving the scene of an accident at Pontoon road and Franklin avenue. The accident had occurred earlier.

Charged After Mishap

Autos driven by Marshall K. Hare, 2538 Edwards street, and Joseph H. Mitchell, 2214 Adams street, collided Thursday at Edwards and Kate streets. Mitchell was charged with a right-of-way violation.

Re: Quick facts about Electric Heat for Public Buildings.

Consider electric heat when you're planning a new building or an addition. More and more schools and other public buildings are being heated today with electricity.

Electric heat can mean lower construction cost. There is a minimum of maintenance and custodial costs.

With electric heat, individual room thermostats provide precise control of the temperature in every area, for many types of activities.

You're planning your new building for several generations ahead, aren't you? So please consider the heating method that is in the wave of the future.

Our engineers are at your service to consult with you and your architect about the benefits of electric heat.

Are you willing to go as low as \$1939 for a new VW?

We don't sell status. Just a car. One that gets up to 27 mpg, hardly uses oil between changes, and goes a long way on a set of tires. Of course, the fact that it's practical is no secret. And everybody is going to know that you're saving money. But that's the price you pay for a Volkswagen.

Are you willing to go as low as \$1939 for a new VW?

We don't sell status. Just a car. One that gets up to 27 mpg, hardly uses oil between changes, and goes a long way on a set of tires. Of course, the fact that it's practical is no secret. And everybody is going to know that you're saving money. But that's the price you pay for a Volkswagen.

Explain Method To File Area Flood Claims

Procedural detail for filing flood disaster claims under a \$500,000 emergency allocation approved by President Nixon was outlined to more than 50 representatives of Madison and St. Clair county public agencies in a meeting at Edwardsville Friday afternoon.

The meeting was conducted by Illinois civil defense officials through whom claims for damages to public property, such as drainage canals, sewers or buildings, will be directed for eventual fund allocation by the Federal Office of Emergency Preparedness.

Col. Donovan Vance, director of the Illinois Department of Civil Defense, attended the session, which was arranged by William Eisele, Belleville, regional CD director. Claims by Madison and St. Clair county agencies are to be filed with Eisele's office.

Those attending were given samples of forms which must be filled out in detail concerning flood losses. The losses must have been incurred between June 29 and July 6.

Cities, townships and the East Side Levee and Sanitary district in the two counties have filed claim notices totaling about \$5 million. The levee district listed losses of \$2.7 million to drainage ditches and sewers. Granite City has filed a claim notice in the amount of \$370,000. Officials instructed the agencies to adopt resolutions designating a certain member of each body to act as agent for negotiation with the CD department in filing and supporting final claim forms. All claims of damage will be checked by state and federal engineers, the group was told.

The meeting was held in the Madison county civil defense office.

Births, Deaths Down in August; 1969 Total Up

Births, deaths and stillbirths in the Quad-City area during August declined below those of all three categories in July, but exceeded those of August 1968 in all instances, according to a vital statistics report released by Homer Pendleton, Granite City clerk.

A total of 167 births was reported in this area last month, 15 less than the 122 reported during the previous month of July, but 19 more than the 88 births reported during the same month a year ago, the report shows.

Thirty-five deaths were reported in this area in August, a drop of 15 from the 50 reported in July and up one over the 34 that occurred in August, 1968.

Two stillbirths were reported in August, compared to three during July. There was only one stillbirth reported in August last year.

The August figures brought to 772 the total number of births thus far this year, up 73 over the 699 occurring during the same period of 1968.

The 35 deaths in August brought this year's total to 306, an increase of nine over the 297 occurring during the first eight months of last year.

The two August stillbirths brought the 1969 total to 10, an increase of four over the same period of last year.
